**A Lesson of Intensity** Sadie Matthews

*A story of passion, desire and fierce emotion, the first in the new Seasons Quartet is the must-read for all fans of Sadie Matthews' After Dark series, and will win her legions of new ones.*

Freya Hammond is used to people fulfilling her every whim. Wealthy and spoiled, she lives a butterfly existence of fashion and parties and is accustomed to getting her own way. Which is why the new bodyguard is riling her. Miles Murray is ex-SAS and obeys her instructions with barely repressed scorn. She can sense that he doesn't think much of her.

The Hammonds have been staying at their luxurious retreat high in the Alps. Now Miles is driving Freya to the airport but the rapidly worsening weather and a near-miss with a dangerously driven jeep causes him to lose control, and sends the car plummeting off the side of the mountain.

When Freya comes to, she is lying on the freezing ground, Miles beside her. The car is a mangled mess far below them. Now Freya needs Miles to save her life. Using all his survival skills, Miles manages to locate an old shepherd's hut and get them both there despite Freya's twisted ankle. Rescue will surely come before too long... but until then Freya is no longer in control. The tension between them is soon at fever pitch as she tries to dominate a man who no longer obeys her orders.

And when rescue does come, how will they return to their old life of mistress and bodyguard after what has happened between them?

Nice to see him turn the table's on her and for him to be her 'tutor'.

This second part was as compelling as the first one, and far more sensual! Freya and Miles continue to be stuck in the hut because of a blizzard and their forced cohabitation raises in them carnal and emotional desires. We learn about Miles' past and how he became a bodyguard. Freya shows a side of her personality more docile and vulnerable that brings the two to start an erotic role-playing game really intense but at the same time sweet and tender.

I must say that I'm liking this novel very much, both the characters and the dialogues, and the overall story that the author has created.

Sadie Matthews has the ability to make characters and situations look real and believable while maintaining an aura of romanticism that I like to read in romance novels.

The erotic part is very dominant and truly well written with passion and sensuality, and even a kiss becomes something extremely exciting.

I'm really curious to read the third part to see how the relationship between Freya and Miles will evolve.
