Kanako akhirnya tahu kalau Ochiai menyimpan rasa ke Kiri. Narumi akhirnya tahu siapa gadis yang ngalahin dia pas ikut lomba hair-styling waktu SD.

Btw, sebenarnya baca ulang vol. ini boleh download dari mangascan. Punyaku hilang setelah dipinjam teman dari zaman SMA huhuhu T^T dan nyari lagi yang vol. 5 aja nggak ada *harus beli sepaket dan harganya lumayan juga* :(

Karena sekarang ada POD, berharap bisa di-POD-in nih komik :D

The novelty of this is starting to ware off for me. :/ Whatever am I going to do? Maybe it's that the storyline is so drawn out by all of these hair competitions, or maybe I've just lost interest. I'll try another volume or two, but if it doesn't pick up soon, I'm putting this one to rest

Lara says

As I said in reviewing the earlier volumes, between 2-3 stars for me, so rounded up. It has its funny moments, and the art is enjoyable, but mostly I'm enjoying it now as a nostalgic reread from high school.

And we've reached the trudge-along point of the series. These hair contests just get so repetitive.

Lara says

Ohhhhhh, the rivalry continues as everyone finally finds out that the only time Narumi ever lost a hairstyling competition (in the fourth grade) it was Kiri who beat him. And of course, she couldn't care less about it all.

Jenifer says

3.5 but rounding up. Didn't like the little sister part but watching the love interests slowly build is quite cute.

Amy-beth says

Can i skip work tomorrow and stay up all night to finish? I love this series and keep laughing at Kiri! :) i just hope it ends well!!

Sophie says

This story is starting to get a little repetitive - I feel it's stretching the story to make it a longer series, but what happens is there's a lot of filler moments, and waaaay too many hair competitions. The author has even had to use a storyline about a doll needing a haircut - it's weird. Also, the obvious set up for the couple is crap because they have absolutely no chemistry, and we're already half way through the series! I hope the next volume picks up, because I'm starting to get bored.

Caroline says

Apparantly, Naru-Naru's rivalry with Kiri is hereditary. He believes he is superior to her and works in his own self-interest, while Kiri does makeovers for people because she wants to and not for money, and she doesn't care about who's the best. And Naru-Naru always loses the haircutting contests...the same way his father always lost to Kiri's father.

Eka Masih SMA says

Ini lanjutannya masih ada gak sih?? Gak pernah lihat di Gramed.

Terakhir kali baca kayaknya yg seri 6 atau 7..? Atau jangan2 aku udah baca tamat ya?? -,- Asli lupa huhuhu

Itu baca hasil minjam ma teman soalnya pas kelas 3 SMA..

Penny says

Beauty Pop from the start was a great read, i enjoyed immensely the action between Kiri and Narumi, how she doesn't care in the world and how he breaks out in hives whenever a girl touches him. Kiri changed his life from a young age,which he finds out later on, so he sees her as a rival and eventually as a girl he loves.

Em Mirra says

Pending.

Shanelle says

Beauty Pop, Volume 5 was such a good read with a great storyline and good humour to match.

I would definitely recommend this book to those who love reading manga, as well as those who are looking for a quirky, yet dominant female lead role.

The only unfortunate thing I found with this book is that they no longer make hardcopies and that you can only read them as ebooks now.

Well after intense February, I'm having a small shoujo showdown. Basically, I mostly review shoujo, but during December (that's when this review is written) I was craving something totally moe and was rereading some of the "romance" shoujo's that I hadn't reviewed yet. So let me start from the very beginning.

This story is a let down in a romance department, especially in the main couple. I wanted to see more, it was expected that Ki-chan will end up with Naru, but I didn't really get to see it. Don't get me wrong, they do and they have two adorable kids together, but there was only an awkward kiss and nothing else. Ki-chan never got over her aloofness and I loved her character for that, but still I wanted her to show a bit more emotions. But I guess I'm making absolutely no sense, as I haven't even told you what the story is all about! Have you ever wondered how some hairdressers become famous and some work in third-rate beauty salons? Here's your chance to get an inside on the world of hair-stylists. Our male protagonists – Naru, Yoichi and Kei are part of Scissors Project. They transform plain girls into beauties! And Naru is a self-proclaimed genius. However, everything changes, when there appears mysterious hair beautician, who is always better than Naru.

Will those two become rivals or will they start working together to face formidable enemies? And trust me there will be quite a lot of them! Are you ready to dive into a world full of fun, action and cute hairstyles? I actually took some of mine from there. Get to know the hilarious characters and fantastically aloof Ki-chan. She really inspired one of the characters of my story. Enjoy it to its fullest and don't forget to share your thoughts below! Stay tuned for more reviews as well as your thoughts below! Series Review: Beauty Pop is exactly like its name very cute and funny. It has a unique premise of makeovers and the plot can be unexpectedly dramatic at times. The characters are what had me hooked as I loved them all too much to get bored. I feel the ending was rushed but over all it fit the story well. I recommend this manga to those who like very light and cutie stories.

Krásná kresba, které se nedá nic vytknout. Líbily se mi postavy, zjednodušené postavi?ky a p?evedším Shampo, který vypadal opravdu rozkošn?. Také se mi hrozn? líbily ú?esy a oble?ení, které nosily modelky, které byly upravovány.

P?íb?h skrýval úžasné poslání, které je velmi motivující- Každý se m?že stát krásným, když bude v??it v sama sebe. Musím ?íci, že tohle oce?uji u všech p?íbeh?, takže za to to má u m? velké plus.

Oblíbila jsem si skoro všechny postavy, všechny charaktery se chovaly podle své povahy a ty, které jsem vid?ly ?ast?ji, se i vyvídely. Vážn? jsem zbož?ovala Kiri, je to 100% moje nejoblíben?jší postava v této manze. Také jsem hodn? m?la ráda Ochina (nebo n?jak tak, se jménama jsem opravdu hrozná XD)

D?j m? hodn? bavil a užila jsem si ho. Byla jsem ráda, že to nebylo p?eslazené a vztahy se tam vyvídely p?rozenou cestou.

Obálky se mi všechny líbily a bylo vid?t, že je to jedna série, protože pozadí vždy akorát zm?ní barvu a v pop?edí je jiná postava. Líbí se mi ten detail, jak je okolo t?ch postav bílé místo a na n?m p?erušovaná ?ára, která nazna?uje, že se n?co dá vyst?ihnout.
