## **Billionaire's Pet** Christa Wick

Former Olympic hopeful Katelyn Willow put aside her dreams of gold more than eight years ago. Now she's an unemployed charity analyst running three hours late for a job interview with the CEO of Griffin Holdings after being mugged. Bound and determined to have the interview anyway, she waits outside the private entrance to his Chicago offices.

Griffin Montgomery doesn't know what to make of the disheveled and slightly bruised woman waiting for him in the alley. The gentleman inside him wants to tuck her into his limo and safely escort her to her apartment, with the promise of an interview once another position opens up.

The man inside him just wants to take her in every position imaginable.

## From Reader Review Billionaire's Pet for online ebook

### **PJ says**

Billionaire's Pet by Christa Wick starts out very strong but then speeds ahead to a very abrupt ending. Suddenly, all is forgiven, all psyches are healed and I hate that. Why not take the time to tell the full story: beginning, middle AND end? Also, the sex scenes, though well detailed, just weren't sexy for some reason. Part of the problem could be that I had trouble picturing them. It takes real skill to describe the sex scenes so that they can both be seen and felt. Something just didn't work for me, despite my liking both the characters. I just can't put my antibacterial wiped finger on just what that was. And that's too bad. Anyway, I wouldn't recommend this, but I would try again with another book by this author.

---

### **Djg says**

This is part one of three. The characters are not developed at all. However for a hot read it fits the bill. Not sure if I'm going to continue.

---

### **Lady E says**

2.5

### **SheReadsALot says**

TWO & HALF STARS--Erotic and a nice plotline with minimal editing errors but I'm a little wary of two people meeting and then *boom!* legs are splayed wide open. And it's also going to be dragged out into another part. Could we just get the entire story at one shot please? The sex scenes -steamy with light D/s but the H's obsession wasn't fully explained and the h jumped into his bed so quickly.

\*\*SPOILER-ISH\*\*And the heroine was mugged with a sprained ankle that miraculously healed the next day for romps of sex? It's niggle on my nerves a bit. So other than the springboard open legs and miracle healing of the billionaire's sex...appeal. The story was okay. I'm not sure If I want to read the next part though. I'm on the fence.

---

### **Staci says**

This book is okay, except for a couple of stretch-your-suspension-of-disbelief things such as Katelyn agreeing to Griffin's proposition even though her circumstances don't actually seem to be bad enough to warrant that and her walking around naked and..."flaunting" herself for the cameras installed in her room and bathroom even though she doesn't actually know whether or not others can see her. Also, the cliffhanger at the end is annoying and so unnecessary!

---

**Justine says**

Fast becoming a huge fan of Christina Wick. She makes me wish men like this actually existed!!

---

**Lexi Divan says**

She's kind of like a 1 week prostitute. She gets paid to have sex with him and that's it. I have no idea of his intent after that, but I am curious as to what is in the box. I didn't see the purpose of this book really. It kind of held very little appeal to me.

**100sweet says**

I wanted to like this story but it was slow and boring. Granted it is a short read there is no chemistry btw the H and h. The H offers the h money for having a sexual relationship with him for 1 week. We know that the H has been crazy about the h ever since he saw her but there is no explanation for why the h is ok with doing this with a stranger.

---

**Vicki says****The Billionaire's Pet 1**

This book was okay. However it is similar to Fifty Shades of Grey. Looking forward to reading the next two books

---

**Boxy Frown says**

Another hot one from CW. Definitely want to read the next in this serial.

---

**Sónia Tigol says**

This book was really good but too short.  
I love the characters and the plot was really good.  
It was a awesome read.

---

**Cindy says**

This is more a short story - not bad for free - but it's a set up to get you hooked to buy the next installment. The story line is so familiar - filthy rich guy hires girl to be his sex slave. Ho-hum - I think it's been done before. The set-up is rather unbelievable and the characters are not very well written, I don't find myself caring much about them. When the steamy bits are the ONLY thing holding the rest of the story together, it's pretty sad. I do like a little plot with my erotica.
