After being raped by her high school crush and waking up from a coma that almost took her life, Jasmine is faced with the reality of what was done to her. She's so traumatized by Shawn that she's not sure if she has the strength to really testify against him in court. On the outside, she appears to be strong, but deep down inside, she's battling demons that won't die, causing them to change the vibrant person that she used to be.

Hennessy is trying to be the best friend that she can be, but with her brother, Dominique, running the streets, risking his own life for a bunch of street thugs who have ulterior motives, and trying to solve her mother's murder, the weight of it all is too much for her heart to bear. The only one who seems to brighten her day and stick by her side is her boyfriend, Justin, but as the drama unfolds, she began to question his loyalty. Although solving her mother's murder comes with several challenges, the killer is closer than she thinks.

In the final installment to Dope Boys Love Hennessy, Hightower High is turned upside down and is filled with more drama than anyone could ever imagine.

Will Jasmine be strong enough to testify against Shawn? Will Hennessy solve her mother's murder? Will she and Justin's love prevail through all the chaos?

Read the finale and find out!

This series was everything and more. It took me through so many freaking emotions I didn't know what to do with myself. I wasn't expecting nothing that happened. I really felt for jasmine and trinity like my heart went out to them because things like that really happens. I loved the way Justin was there for Hennessy no matter what that's definitely true love. I didn't expect this book to be like all the other books but it wasn't and I loved it.

**Loved it ♥♥**

Yasssssss that was the best ending that Hennessy and Dominique could have gotten. I'm mad that Shawn took the coward way out but I am glad that Shaunnie and Tracey at least served jail time because of their involvement. Dominique did a whole 180 to better himself and that was the best thing he could have done and glad he got the second chance to prove to himself and others that he could leave the streets along. And to everybody that had it out for him got handle which was also a great thing. Proud of Mr. West going with his gut feeling and saving Hennessy from his brother Frank because he was a certified monster. Happy that Hennessy found the happiness that she deserved and for it to be with Justin was even better. Great job Sha you never disappoint

I waited and waited for this and I enjoyed it as much as book 1! I almost teared up at the end. I'm so happy Hennessy and Dominique got their happily ever after. After everything they been through they most definitely deserved it! Author Sha Jones you are such a wonderful author. I love everything I ever read by you so far and I know for a fact I will love everything I haven't read yet twice as much. Thanks for the good read. You did that!

I really loved me some Hennessy and Justin they were a beautiful young couple in love who beat the cards stacked against them. Frank was a mental case and Justin sensed something off about him. Mr. West finally followed his gut instincts and saved Hennessy. I'm glad Dominique changed his life and had a beautiful family. Shawn was a coward and Tracy got what she deserved. Apollo was a coward as well. I'm glad Hennessy and Dominique beat being a product of their environment.#1225

??????????

I'm glad Hennessy got her happy ending after everything she went through. That was so messed up for Frank to kill Maddison even though she wasn't the best person she didn't deserve to die. Trinity was just what Jasmine needed to help her in the healing process. Now as far as I'm concerned Shawn never showed any remorse for his actions he was only concerned with getting caught ???. Shaunie & Tracy got just what they deserved. Thank you Sha for a great story ??❤️?.

**This was so good!!**

Part 3 was everything we needed to end the story:love, strength, suspense, drama, and everything in between. My heart hurt so bad for Jasmine. She didn't deserve it and Shawn took the easy way out smh. I'm glad Mr. West stuck with his gut when it came to his brother Frank. There were definitely lessons to be learned throughout this story!!

**5 stars**

Girl this series was amazing even though they went through hell & hot water I'm glad everything turned out the way it did except for Shawn killing himself that was sad. I'm happy trinity was able to get jasmine to see things from her point of view & convince her to take things 1 day at a time! I'm also happy frank got exactly what he deserved cuz he was really sick in the damn head! Keep the hits coming & I'll def keep reading  
❤️????

#### **Whew, chile!**

I was on edge this entire damn book. I was scared to reach the end but I was very happy at the outcome. It amazes me how strong people like Hennessy endure pain during their childhood and manage to turn their future into something positive. It takes a lot of patience, strength and will power to do something like that. I was very pleased with this series, I wish it hadn't come to an end

#### **Loved every page**

This book was so good forget the book the whole series was everything. I loved Justin and Hennessy for each other. He def proved he loved her and stood by her every min no matter how much drama. I'm so glad Dominique changed for the best. I know it's bad to say Shawn got what he deserved but he took the easy way out smh. Tracy and Shaunie no words for them they where they need to be. Frank was just wired and all that time looking for Madison. Not trying to spoil everything but def my favorite series of 2018 truly five stars, oh and I loved the aftermath left me satisfied with no questions great work

#### **Excellent**

What a great neighbor the series...so glad Hennessy was saved by Mr West from his crazy brother and a shower he killed Hennessey's mom and grandmother...Shawn couldn't deal with what he did too all those girls...glad Jasmine was ok after everything she went through...always a excellent read from you

#### **When your past is staring right in your face!!!**

Mr . West needs to grow some balls and put Frank's out. He knows that Frank did something to Hennessy mama. Frank is a sociopath, he just don't care because he killed Maddison. She wouldn't leave her purse and her house and grandchildren. Apollo little minions shot Dominique. Apollo and his crew won't let him be great. He got a baby to live for. Shawn is feeling the heat . Shawn is going to his self leaving Tracy to take the fall. I'm wondering why don't take Shaunnie. Carolyn shouldn't a\$\$ out. Sad the girl won't have their day. Neither will Hennessy. Why is she questioning? Shaunnie and Tracy got what they deserved. Hennessy and Justin went on to give back to the school
