**HEROES Urban Fantasy and Super Powers Bundle #2** Autumn Kalquist , Ernie Lindsey , Annie Bellet , Nicolas Wilson , Madeline Freeman , S.M. Reine , Michelle Read , Elle Casey , more... V.M. Black , Lindsay Buroker , A.P. Kensey ...less

An impressive collection of 11 Urban Fantasy novels about superheroes, mutants, werewolves, vampires, sorcerers, adventurers, teens with paranormal powers, and more!

The heroes in these hand-selected 11 books are all spectacular, whether born with special abilities or created, by choice or by science lab.

The tales contained within this bundle stretch the limits of imagination while blurring genre boundaries. What they all have in common is originality, and some of the most compelling voices in publishing today.

Books may be read in any order. The professionally-formatted file includes all book covers and a clickable table of contents. Please note: some stories contain mature subject matter.

## INCLUDED IN THIS 11-BOOK BUNDLE:

Super - Ernie Lindsey

(305 pages - Superhero Suspense / Mystery)

Leo Craft assassinates wayward superheroes. Somebody has to. As the world mourns the death of Patriotman, Leo learns that the president has been targeted for assassination, and one of his colleagues may be the villain.

Justice Calling (The Twenty-Sided Sorceress) Annie Bellet

(100 pages - Urban Fantasy)

In a small town in Idaho, gamer and sorceress Jade Crow fights an evil warlock threatening her shapeshifter friends.

Defect: Part One (A Fractured Era: Legacy Code Prequel) Autumn Kalquist

(100 pages - Dystopian / Apocalyptic Science Fiction)

Selene Hayes may have superimmunity, but she's defective. Now the Corporate Coalition hunts her, and when rumors of a mysterious quarantine reach her sanctuary, she must decide whether to keep hiding... or fight to survive.

Blood Moon (The Gambit #1.5) Nicolas Wilson

(64 pages - Urban Fantasy)

His community still reeling from a thwarted takeover, a magical law enforcement officer teams up with his vampire counterpart to track a murderer practicing forbidden magic.

Shifted, Episode 1 (Shifted) Madeline Freeman

(38 pages - Urban Fantasy - Serial)

When the lives of Leigh Evans and Peter Monroe intersect, everything will change. Thrust into a world she never knew existed, Leigh will learn who she really is, and what she's capable of.

Caged Wolf (The Tarot Witches) S.M. Reine

(160 pages - Urban Fantasy / Paranormal Romance)

The biker gangs passing through Lobo Norte don't scare Ofelia anymore. But Trouble is different. A biker with a wolf tattoo and tortured eyes, he sees beyond Ofelia's tough disguise.

Mothers (Invisibles) Michelle Read

(138 pages - Urban Fantasy / Adventure)

Returning home should have made life easier for Erin Young. Lately, though, even her best friend was hiding something from her. The women in her neighborhood seem to have strange powers.

Melancholia (Duality Book 1) Elle Casey

(340 pages - New Adult / Teen Urban Paranormal Romance)

Malcolm has an unusual power that causes him to leave misery in his wake. Sadness and negativity are his constant companions. But then Rae shows up in his life, and everything changes.

Panther's Quest (The Alpha's Captive / Taken by the Panther Novella) V.M. Black

(100 pages - Paranormal Romance)

An ex-SEAL panther shifter, Chay Bane has spent the last six years building a secret refuge for shifters in trouble. But when one of his bests friends needs help, everything he's ever worked for is on the line.

Torrent (Rust & Relics) Lindsay Buroker

(336 pages - Urban Fantasy Adventure)

Delia is an artifact hunter who's just discovered the world is full of man-slaying monsters, magical swords, and elves on motorcycles. Now there's a new monster in Sedona, Arizona.

Bloom (The Bloom Series, Book 1) A.P. Kensey

(292 pages - Teen / YA Urban Fantasy Adventure)

The story of Haven Kincaid and Colton Ross—two teenagers with special powers fighting to survive in a dangerous world.

## **From Reader Review HEROES Urban Fantasy and Super Powers Bundle #2 for online ebook**

### **Sheryl says**

I was gifted this novella for an honest review by author V.M. Black. This is from Taken by the Panther for this bundle of ebooks. Chay Bane is from Taken by the Alpha book series and this is his POV. This is a review of that story only.

Chay Bane takes care of a group of shifters in an army instillation that he bought but he also does some work for the government because he is a computer genius. He is trying to help his friend Levi Harris and his girlfriend Harper Bailey after he stole a memory card from a vampire boss.

The author always creates great characters that make each book worth reading and this is no exception. The characters work very well together and their interaction with the other people is awesome.

This novella is for any paranormal romance book lover who likes intrigue and action.

---

### **Rebecca says**

I haven't read all of the books but I have read Panther Quest by VM Black, I received a Arc for my honest review.

It is an excellent prequel to Out of the darkness and it's nice to read about Chay. I enjoyed reading his perspective, He's a tough guy but with a heart, who truly cares for those around him and as much as he grumbles and complains about it, he really wouldn't want it any other way. I liked how we see characters from other stories joining in this storyline. I'm looking forward to reading more books about Chay and Tara.

---

### **Sheila Kennedy says**

I loved VM Black's Panther's Quest, as I have read other stories in this series, it has given me a chance to see some of the back story on the lives of the people I am getting to know. I saw the human side of them somewhat, and learned more about their daily lives at the compound. You can't go wrong it's an awesome read

---

### **Jessica Parsons says**

Panther's Quest by V.M. Black

It was interesting seeing things from Chay's point of view and how he thought and reacted in a situation his rash werewolf friend and his friends girl put him in. A very interesting read and well written by V.M. Black, look forward to more by this author and reading the other books

---

### **Tracy Buttles says**

Heroes Urban Fantasy and Super Powers Bundle #2: 11 Urban Fantasy novels by Ernie Lindsey, Annie Bellet, Nicolas Wilson, Madeline Freeman, S.M. Reine, Michelle Read, Elle Casey, V.M. Black, Lindsay Buroker, Autumn Kalquist, A.P. Kensey.

**\*\* I received an ARC from the Author in exchange for my honest review.\*\***

So far I have only read Panther's Quest (The Alpha's Captive / Taken by the Panther Novella) by V.M. Black.

This was an intriguing look into the character of Chay Bane from Ms. Black's [[ASIN:B00O3NXE26 Taken by the Panther]] and [[ASIN:B00NP5576Y The Alpha's Captive]] series. We are also given a good description and look into Black Mesa--Chay's unique base of operations, shifter sanctuary and his home. Very enjoyable read.

---

### **Nicole Smith says**

I've only read Panther's Quest by V.M. Black so far and I really enjoyed it. I liked how we got a look at how Chay's operation works before he meets Tara. This story had me hooked right from the beginning.

---

### **Francesca says**

I loved this boxed set and found plenty more to read. I loved Lindsay Buroker's story. I will admit I read it previously. I was also fond of several other stories. Justice Calling, Melancholia, Super, Panther's Quest and Bloom all held my interest. I've added a few more books too read because of this set.

---

### **Joan Lisanti says**

This was worth the 99 cents I paid for it. I did find one author whose other stuff I will try, but there are also several authors in here who I will avoid like the plague; I could have lived without it.

---

### **Barbara says**

It was interesting to see Chay's point of view in his day to day life. Chay is such a good person, trying to help out his old friend and his girlfriend, who got into a lot of trouble. I also enjoyed the action in this book and look forward to more of the continuation of Chay's story. Received an ARC from this author for an honest review.

---

## **Liesl says**

My favorite story in this bundle was "The Panther's Quest" by V.M. Black

I am a HUGE V.M.Black fan, so I HAD to read "The Panther's Quest" right away! As you have read from other reviews, you first get to meet Chay in one of the author's other series' "The Alpha's Captive". But "The Panther's Quest" can easily be read as a stand alone story. It is full of action, humor, wonderful characters, and was a blast to read! V.M. Black has such an amazing talent for producing such wonderful stories in such flawless detail! You can't help but fall in love with Chay Bane! READ THIS! You won't be sorry!

---

## **Cassandra says**

This review is only for one of the stories....more to come later :)

Panther's Quest by V.M. Black

My Thoughts - 4 out of 5 Unicorns - I really liked it!!!

Okay this is a novella and a little over 100 pages and a pretty quick read. It is really cool to get Chay's perspective on what happened in Alpha's Captive. I definitely suggest reading that serial before reading this novella just because it would spoil quite a bit for you in the other serial.

It was awesome to get more insight into Chay, and I found out he is not quite the jerk he makes himself out to be in Alpha's Captive. He is one of those people that you don't and probably won't ever fully understand at least from my view point. You learn about his nickname which I have always wondered about and didn't think I'd ever find out :)

I can't wait to check out the rest of the bundle :)

---

## **Ann says**

I have not read all the stories in this set yet, but had to post a review for V.M. Black's 'The Panthers Quest'...this is the story I wanted to read in this set the most so I started with it. This is the second book I have read in Ms. Blacks 'Taken By the Panther' series and both have left me wanting more. I am truly enjoying Chay's adventures and look forward to the next installment. If you are into cat shifters of any type I can't recommend this book highly enough. This is a great value for the small amount of money you spend on this box set. I had not ready any books by any other author by VM Black before this set and although her story was my favorite...there were several other authors who I will be checking out in the future, including Nicholas Wilson, Madison Freeman & S.M. Reine.

---

## **Petula says**

Panther's Quest.

By V.M.BLACK

★★★★?

This is the only story in the bundle I have read so far.

Two fugitives arrive at Black Mesa, the shifter compound hideout belonging to panther shifter Chay Blane. Law enforcement is hot on their trail. It's Chay's job to protect all his people, including the troublesome werewolf who brought the problem. It takes a lot of his panther and his human skills. They also need to get in and out of a very dangerous place. Time to call out the troops to help.

This is an all action story, where you hardly have time to draw breath. I must admit a lot of the computer speak went right over my head. There is no romance, but the incredible characters we meet now must have some great stories coming. I really enjoyed the mad journey through this book.

---

## **Cynthia says**

Let say that I got the Panther's Quest as a ARC for a honest review!

I read the Panther's Quest and just as you think you have it figured out there is another twist to the turn. This set also ties in with V.M. Black's other books which you can find on Amazon for purchase! This has love, blood and some fighting and loads of info on how technology can be used to do the impossible or what you may think is the impossible.

Now, I would love to give this book more than 5 as it is a quick entertaining read on this rainy day in October. But then I am a HUGE fan of V.M. Black and her books. So go grab this and her other books and dive into a great author who will keep you entertained for hours to come!!

---

## **Tess Quarles says**

I haven't read all the books in the bundle, but was given Panther's Quest for my honest review!

I ABSOLUTELY LOVE Chay! He's a techno geek, but could whoop your ass at the same time! LOL! He wasn't born a Panther Shifter, but was turned into one when he was undercover. He now runs Black Mesa, which is a place for wayward shifters, and other beings that can't function well in the world. I can't wait to see where the story goes for Chat, Levi, and Bailey!!

---
