Moms on the moove Natalie Fernandes Motha

Moving. If the very word makes you panic and want to stay in one place, here's the book for you!

Written by veteran Mom on the Moove, Natalie Fernandes Motha, this book will gear you with everything you and your family needs to set up base in a new city.

Travel along with Natalie as she walks you through her inspiring journey, and meet her friends and family who helped her along the way.

As you move, leave behind negativity and go forward, armed with spirituality, practicality and a whole lot of support.

Peppered with personal anecdotes, sprinkled with helpful hashtags and garnished with verses from the Bible, this book will serve as your perfect guide.
