Anointing. While the word has several meanings in the Bible, it always revolves around the idea of the Holy Spirit and His power to change human lives. Each of us has an anointing or a special gift from God. Using it properly is the key to creating what is good, blessing and encouraging others, edifying ourselves, and pleasing the Lord.

“If the Holy Spirit was removed from the church, 90% of the work would carry on as if nothing happened. “ Vic Pentz says, 'Nothing fails so totally, as success without God.' In this book, RT Kendall Highlights the importance of accepting the anointing God has given us, and the dangers of stepping outside that anointing. That to be tomorrows man or woman means that today, we may be living with the anointing without the platform. But that God won't let us have the platform until HE decides we are ready. But the glorious prize for patience and seeking intimacy with God will be worth the wait. To draw close to Him while He tests us, builds us up, and equips us for the task He has in plan for our lives. To do anything else, is to leave ourselves in danger of becoming like Saul – yesterdays man!

Today's man must step outside their comfort zone. We can't become complacent with what God has already given us. If we do this, we may miss out on the bigger picture! “No camping allowed”

RT Kendalls hope is to see Gods Glory restored to the church today. He uses David to examine how we can all seek Gods perfect will in our lives. David was a man after Gods own Heart, and to have a heart after God means the coming together of The Word and The Spirit in our lives all in equal measure.

Jesus was the word made flesh, but He still received the Holy Spirit. That to receive the word and believe is to have the spirit deliver it, and therefore indirectly, through the word we receive the Spirit. But there is more!!!!!!

Through the Anointing he challenges us to examine our openness to both, and drawing on personal experience offers his advice on such topics as the sensitivity of the Spirit, how He is easily grieved, and how we can strive to be God centered thinking people. Like David, a people after His own heart!

#### **Exceptional**

What a book. R T knows his Bible and I am so grateful that he has been given the gift to share his views. Like all of his books there has always been a challenge, something for me to say 'gosh yes, that is me.' And sometimes it disturbs me. I hate to feel I have grieved The Spirit etc. Thank you so much for what must have

been a lot of hard work.

An insightful read full of life's hidden gems. A read that may is more thought provoking and will more than likely take some time to read. I am glad that it jumped off the shelf to me and stirred a plan of action in my life.
