## **The Clandestine Circle** Mary H. Herbert

Rose Knight Linsha Majere, working undercover for the Solamnic's Clandestine Circle, earns a place on the elite bodyguard of Hogan Bight, the mysterious lord governor of Sanction. She quickly learns the governor is not the only one who needs protection in a city threatened by an active volcano about to erupt, a death ship filled with an unknown plague, the ever-watchful Legion of Steel, and the subversive Knights of Neraka. But who will protect Linsha from her own heart?

## From Reader Review The Clandestine Circle for online ebook

### Katie says

Found this book pretty entertaining to read, and enjoyed the process. Think I might check out the other books in this series too (looks like the series might be written by lots of different authors?). I absolutely loved the characters in this book, and the story was pretty great too, but the main character loses points for missing something so obvious that I figured it out halfway through the book, and she still had not figured it out by the end of the book (although it was painfully obvious at that point). Otherwise a great book.

---

### Jim C says

This is a novel set in the Dragonlance realm. Linsha Majere is a Knight of the Rose who is working undercover to retrieve information about Lord Bight of Sanction. While on this assignment, a mysterious plague hits the city.

I enjoyed this whole story. I liked the main character as she grapples with her assignment and what she believes is right. The book had a nice pace and never had a lull in the storyline. The mystery of Lord Bight adds to the storyline even though the author drops hints during the story of his true nature. This book had a little of everything. It had action, mythical creatures, romance, and intrigue.

The reader doesn't have to have prior knowledge in Dragonlance to enjoy this story. If one likes fantasy with a good story, this book is a book I strongly recommend.

---

### Jenifer says

I've always loved the Majere family, starting with Caramon and Raistlin on down to the latest generation, but I think Linsha is one of my most favorite characters. I got introduced to her in *City of the Lost* and fell so much in love with her that I wanted to know more. I'm very happy that I read this and got to know more of her and her past exploits. I highly recommend this to fans of DragonLance, particularly the Majere family.
