I really enjoyed Tyce II...Like I said in part 1, I was not a fan of the arrangement with Dallas and Angelique....This book did not disappoint...I just proved my point exactly...lol...How that could never work...even tho the most men would dream of that...This book was filled with Drama, suspense and full of surprises....I gotta be honest and say I could not put the book down...I could not wait to find out what was going to happen next...The skittles was a trip...cute...After reading this I'm sure there is going to be a Tyce III...Dallas is not gonna let things slide...She is too ruthless for that...but I'm sure Angelique with handle her...I must say I was rooting for Angelique the whole time...She definitely came thru by putting dallas on blast...but is she just as sneaky as Dallas....I guess we will have to see if Shareef writes a book 3

written well kept me on my toes, and I could not put it down until I finished the last page. The relationship between Tyce, Angelique, and Dallas was totally some male fantasy stuff but it was different and I am glad the author resolved it. We learn who Tyce's parents are in this book wow what a story. I really like this character and look forward to reading book 3.

#### **Tyce II (Tyce Series Book 2)**

Unbelievable! So mom is Pamela the cop who rescued Tyce from the dumpster and Gloria is his birth mom

who was pregnant by Diego Alvarez. Dang, I didn't see that coming. Shareef Jaudon keep up the great writing and development of this series characters. I am on to book 3.

In this second installment, readers are reunited with Tyce, Angelique, Dallas, and Sway as they continue Tyce's mission of neutralizing his enemies and securing the futures of his loved ones. The plot is solid, keeping you turning pages. I found myself anxious to see what would happen next. There was some level of predictability, but there was still enough of a storyline to keep it interesting. Editing was a bit poor in places, which led to a bit of a distraction. Yet, I'm looking forward to reading the final installment.

What a mess! These just keep getting better. It's filled with so much drama that I can't help but keep reading. Tyce running with these women I can't see anything good coming out of it. Someone needs to go like the last book but he seems to now realize it. That mess at breakfast with Angelique and the floor, I fell out laughing.

I absolutely loved this book!!! Tyce II was just as good if not better than part I. I am looking for my own personal Tyce right now!!! The plot was great, the characters had depth, it was suspenseful and... just an all-around good book. Tyce II picks up where part I left off and went full speed from there. I must say that I was kind of digging the relationship with Tyce and his two girlfriends. This book had me on the edge of my seat, waiting to see what would happen next. I devoured this book in 1 day. Just bought part III. Can't wait to read it!!!

This book did not disappoint! The sequel is just as good as the first book. The action and adventure never stopped and I just fell deeper in love with Tyce than before. I rooted hard for him to pick one lady to be with but respected his honesty with them both and his equal treatment of them. Its edge of your seat action that makes you root for Tyce even though he's a hustler. I actually just finished Tyce 4 and am eagerly awaiting the fifth installment!

### **Me'Tova Hollingsworth says**

I'm really enjoying the series. Once I got started, my mind was set on finishing the series. There is so much action! I love Tyce's character. He such a level headed person. He thinks everything through, or he doesn't make a move. He is definitely not a selfish person. He wants everyone in his camp to eat. He's motto is "Stay ready, so you don't have to get ready." Oooo love me some Tyce Atkins! He's a no non-sense thug with a

plan, that every lady wants in her life. Moving on the part 3, so I can learn more about Mr Atkins.

TYCE 2 by Shareef Jaudon....wow, what can I say! Tyce 2 picks up where part 1 left off, with TYCE getting released from jail. The book was full of so many twists, turns, and surprises. I was holding my breath the entire time waiting to see how everything would play out! I love when a sequel is better than the original and Shareef Jaudon did just that! I got mad, laughed, and cringed at some of the events that took place in this book! Can't wait to see where TYCE takes us next! 5 stars!!

### **Latrisha Clark says**
