## **From Reader Review Chilling Adventures of Sabrina #6 for online ebook**

### **Abbie says**

Can't get over the mouse being eaten.

---

### **Kayla (ontheffritz) says**

A little side-step issue about Salem and how he became a cat.

---

### **Rainey says**

Love the backstories.

---

### **Anto Tilio says**

Creo que fue mi volumen favorito, nos cuentan la historia de los familiares, la historia de Salem :O  
Pero por qué termina ahí???? Quiero más!!!

---

### **Priya says**

What an interesting and dark take on Salem's origin story! Damn, this series keeps getting better!

---

### **Karen says**

#### **Salem tells his story**

In this issue we get a chance to find out how Salem ended up in his cat form. Turns out he was a typical guy and made an enemy of the wrong woman who found a novel way to punish. We also got another story of transformation that was interesting.

This was a nice way to segue into the next stage of the story that is sure to bring even more trouble for our young witch.

---

## **Emilio says**

3.5 Great insight towards a favorite character.

---

## **Serena says**

Great story of the cobras telling Salem how they became cobras and Salem telling them his story of how he was turned into a cat. He was definitely a douch as a human and I didn't feel bad for him but still love me some Salem.

---

## **Vikki says**

### **Alternative Salem Witch story**

The familiars tell their stories. Salem the cat tells about his past and the curse from the Salem Witches that made him a cat. Interesting and non-gory volume for once.

---

## **Barb (Boxermommyreads) says**

I usually don't read single issues but since my local library jumped on the bandwagon with Hoopla, I've taken advantage of not having to wait until some of my favorite series publish volume collections. Issue #6, That Damned Cat, tells the story of how Salem became to be a familiar. In addition, we also get the side story of Sabrina's cousin's familiars, two King Cobras, which being afraid of snakes as I am, I was not a real fan of. However, even I have to admit it was an interesting tale. The artwork is consistently good and anyone who enjoyed Volume 1 really should continue on with the series.

---

## **Erin Tuzuner says**

An interlude about familiars between story arcs.

---

## **Shadowdenizen says**

While this issue focused less on Sabrina and more on the familiars, this was by far the most compelling of this spectacular series to date.

---

**dennis says**

Why is this so damn good?!  
Also, who/what is Old Scratch?

---

**Kristin says**

I love all of the cultural references to witchcraft in books and movies they pull into this issue.

---

**Sasha Cokuslu says****Enjoyed Salem's Story**

It was interesting after so many years of being a fan of the tv sitcom to learn the more darker version of events that lead Salem to his downfall as a familiar.

---
