Stormy Glenn

Forever and a Day Stormy Glenn

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, HEA]

Samuel Erickson, a human and former blood slave, hates vampires with a vengeance. He doesn't trust a single blood sucker, except for maybe Sully, the vampire that saved him. But trusting someone and giving in to the desire that burns within every time he's around the handsome vampire are two distinctly different things. When their lives are threatened and they have to fight side by side just to stay alive, the hatred Samuel harbors seems less important.

Sully Buckley, a vampire, despises humans just as much as Samuel hates vampires. Nothing good could ever come of their association. Sully has been telling himself this since he first set eyes on the frightened human. To his dismay, he was finding it harder to remember those reasons the more time he spent with Samuel.

Despite the issues between them, nothing can prevent Sully from running to the rescue when they are attacked by soldiers sent by Samuel's father. When betrayal comes from within their ranks, Sully knows he has to put aside his hatred and fight for his mate or lose him forever, and he desperately wants forever and a day.

Kelly H. (Maybedog) says

Samuel already had a hoody on. He didn't need Sully's.

Another THINK coming not thing.

If Samuel and Jasper knew each other, how did they not know they were brothers? Wait. Samuels father sold him to a coven to be a blood slave. He met Jasper there. Who was a blood slave to his father's coven. What??

They're sleeping in a cavern by the sea and he has a hoodie. His arm is bare why? Oh wait, he is wearing the hoodie. So how was Sully caressing the bare skin on his arm?

At the beginning Sully was saying he wasn't amused why he was drawn to the human, now he's saying he knew all along and Samuel just wasn't ready.

Sam is ignoring the moments of hurt. Silly wasn't nice when he said he was going to claim Samuel despite himself.

Quite the sudden turnaround in behavior for Sam.

It's a nice change to have a very capable little guy. Maybe he's not as little.

Exorbitant not exuberant.

Why isn't Justin a prince. For that matter, why isn't Sam?

It's only been three weeks but he's lost count of how many of his fathers holdings he's taken out? Are they all clustered together with a bright map saying, "here I am!"? And on top of that, he's lost track of the days he's been held captive. It's been three weeks!

He didn't know how long he would last without any clothes? He's a vampire! The answer is indefinitely.

When they performed the ritual on Taylor, it turned him into a vampire but not Danny or Samuel? And that permanence for all time thing wasn't mentioned then, either.

So so so many holes in this one that it wasn't really even offset by the fact that it was cool having a strong little guy be a warrior. 2.5

Hc says

This CAN be read without a major refresher course on the series. Me, not enough time.. too lazy.. more waiting in the queue... Several reasons to NOT reread the whole series to 'get' this one.

Honestly.. Could have just left this off. While it CAN be read and mostly understood, I was certainly

struggling with remembering who some of these characters were. The reader is told about Samuel's recent background but the events I don't remember. His bro Danny and his vamp.. they are vague memories.. kind of like I remember the names but not a lot of detail.

Beyond that, a few things to think about. Why was Reece told by his mate to be at the manor? (one of my very remembered favorites btw) Never was told WHAT his presence would or wouldn't do. EHHHH, the other thing I wanted to mention.. out the door! Perhaps it will come back to me...

Liz Marie says

3.5 ??

Este libro lo leí hace un año en inglés y ahora que tuve la oportunidad de releerlo en español y me encanto. Sully y Samuel son una pareja fuerte. Stormy Glenn siempre me sorprende con sus libros.

Christy says

I'm so glad the author wrote Samuel and Sully's story. It was also nice to see Samuel turn into a bad-ass warrior. After everything he'd been through he needed to take that control back over his life.

Linda Susan Buerkett says

Review forever and a day

Oh stormy, I love your books so much, especially this one. I'm gonna go broke buying all your series books. This book as all your books are amazing to the nth degree. Read and enjoy everyone. They are all the BEST

Phaney says

[vigilante super-warrior (hide spoiler)]

Lily says

It was actually a good one.

only reason it got 3 starts instead of 4 was "Samuel"

At first
during the first attack

he is human but he takes out entire buildings of vamps and burns the place down.

Wolf Creek Pack 11

Samuel Erickson, a human and former blood slave, hates vampires with a vengeance. He doesn't trust a single blood sucker, except for maybe Sully, the vampire that saved him. But trusting someone and giving in to the desire that burns within every time he's around the handsome vampire are two distinctly different things. When their lives are threatened and they have to fight side by side just to stay alive, the hatred Samuel harbors seems less important.

Sully Buckley, a vampire, despises humans just as much as Samuel hates vampires. Nothing good could ever come of their association. Sully has been telling himself this since he first set eyes on the frightened human. To his dismay, he was finding it harder to remember those reasons the more time he spent with Samuel. Despite the issues between them, nothing can prevent Sully from running to the rescue when they are attacked by soldiers sent by Samuel's father. When betrayal comes from within their ranks, Sully knows he has to put aside his hatred and fight for his mate or lose him forever, and he desperately wants forever and a day.

Summary:

The tragedies of the past have a way of influencing how individuals react in the future like Samuel and Sully. Even though Sully's family was butchered by humans, his need to protect and to give Samuel the strength to overcome his past. Samuel endured abuse and torture from his father, a vampire, and was forced to be a blood slave when he was no longer any use. It was inspiring how Sully stayed by Samuel's side night after night so he could feel safe when there was little hope that Samuel would ever accept him. Experiencing love grow between them was wonderful, but when their enemies returned Samuel and Sully's bond was put to the test. This incredible story incorporated characters from earlier books continuing their earlier story lines as the

series evolves.

Laura says

I've waited years for this book and I'm glad we got to see more of Sully.

What annoyed me though is that the author or editor or proof reader, missed a couple things. For example; Donovan has a son and daughter not two daughters like this book states. I'm sure I saw a name mix up once or twice and a character's name used in the same sentence "X laughed softly and walked over to X and then Y..."

However I did like it not sure it was worth the wait though...

Patricia Ervin says

I just finished re-reading the entire series. I think this was my all time favorite book in the series and the best that I have read out of Stormy Glenn's books. I wished she would pick up the story line from this book in the series. There are so many ways she could go in the series following this story line. I wish her the best...

Cocktails and Books says

This review was originally posted on Cocktails and Books

Sexy, gay vampires!! YES!! I jumped on this book. First of all, I love Stormy Glenn. I'm a screaming fangirl, and I'll read anything with her name on the cover. Next...HELLO...gay vampires!

Samuel was a blood slave. Terrible, terrible things happened to him while he was being held. Sully rescued him, and he now keeps watch over Samuel at night while he sleeps. Some might find that stalk-y, but I find it to be sweet. Samuel's nightmares are held at bay while Sully is there. Samuel hates vampires...rightfully so, of course, and Sully hates humans. However, as the story progresses, Samuel must rely on Sully to protect him from an evil so horrible it will make you feel a combination of fear and anger.

This is the eleventh book in the "Wolf Creek Pack" series, and I hate to admit it, but I've not read any of the previous ten. I will remedy that situation as soon as possible. However, I didn't feel lost. There was enough exposition that I got the gist of what was going on very quickly. I liked all of the characters mentioned (except for that disgusting bad guy). The vampires involved want nothing more than to protect their human mates.

There is a lot of action and an adventurous feel, especially while they wander the awesome underground caves. Of course, I'd be remiss if I didn't mention the chemistry between Sully and Samuel. It's intense. They both want to deny it, but there is just no way. Their first love scene together, in the cave, was fantastic. Stormy Glenn has a knack for writing first time scenes. They're always hot and heavy, but with just a hint or two of tenderness, and they're a pleasure to read.

This book is great, and I think, if you're a fan of MM, paranormal, action, and good vs. evil, you should definitely check this one out.

Sanet says

Not sure how it happened but I loved this one... and for that reason alone, I'm gonna stop reading this series right here.

this first couple of books are okay, really I read them ... but they did not leave a deep impression on me... yeah I can tell you about the world and the vampires and what happened ... the basic story line, but not much more about the characters.

This one however... I'm gonna remember Loved Sam and Sully and I thoroughly enjoyed it :) I'm choosing not to finish the set, although I bought the whole lot, because like all things, I'm probably gonna hate the last book of the series
