## **Fujoshi Rumi 1** Natsumi Konjoh

Takahiro Abe is an ordinary, well-adjusted, proper young man. In his freshman year in High School he fell in love with Rumi Asai, an anything but ordinary, Yaoi Moe Otaku girl. Rumi is utterly convinced Takahiro and Shunsuke Chiba, Abe's best friend from middle school are in love with each other and is letting her Fujoshi Fantasies run wild!

# From Reader Review Fujoshi Rumi 1 for online ebook

## Starbubbles says

I read 4 chapters of this and had enough. I can see where I should think things are funny, and that there should be humor in this, but it just wasn't reaching me. It might have been that I just couldn't get in the right mood for this, but I'm calling it quits. The art was fine and I didn't read long enough to see if any drama happens, but it certainly wasn't gearing up for any anytime soon. I don't know, this one just wasn't for me.

---

## Yoda Bor says

Je me demande encore ce qui a bien pu me pousser à choisir ce manga dans ma médiathèque.  
Le dessin n'est franchement pas transcendant et les personnages sont agaçants.

Rumi est lourde. Elle est certainement très gentille mais elle est vraiment très lourde. J'avoue être moi même une très grande shippeuse de couples improbables dans les séries mais elle atteint un niveau que je ne pensais jamais voir.

J'ai largement préféré les garçons qui sont des caricatures sur pattes.  
Takahiro est un loser et Shunsuke joue à merveille le rôle du séducteur.

Les quiproquos sont sympathiques au départ mais finissent par tourner en rond tellement Rumi s'obstine à ne pas voir ses erreurs. Au bout d'un moment, il serait quand même temps qu'elle ouvre les yeux.

En revanche, le récit est parsemé de clins d'œil plus ou moins subtils qui font référence au genre et qui sont parfois très drôles.

## Kate O'Hanlon says

This is a little strange but hilarious and an absolute joy to read. Why not buy it for the messed up yaoi fangirl in your life.

---

## Jacqui Geisel says

Note: review is for the series up to where I've read (volume 3).

This manga is hilarious. I can't really believe anyone could be as dense as Rumi is when it comes to love, but she's still adorably endearing.

I wish they'd release past volume 3 in English...

### **Nia says**

Being a yaoi fan, I could easily laugh along with this. Mainly because this type of otaku-dom is so extreme and hilarious at the same time. American girls can be yaoi otaku in the most annoying sense, but I find the creativity of yaoi fangirls in japan simply amazing what with the fact that they actually draw out their pairings, take their drawings to printers and have circles dedicated toward their obsessions with m/m love. I find the sub romance of the boy who loves her cute too.. even though she pairs him up with his best friend. Also the inclusion of the other fujoshi who is always trying to kiss/touch her adds to the 'yaoi fangirls are lesbian' trope which is also HILARIOUS.

I definitely want to read more of this series.

### **Melainebooks says**

Découvrez le mon des otaku ;)

---

### **Amie says**

Hilarious. Recommended to anyone who has ever been a yaoi fan.

---

### **Amelitha says**

Ça me fait rire, j'avoue :)

### **Reader17 Der says**

Loved this story. I know it is the first volume but it had me laughing out loud. This story is about Rumi Asai who loves to draw and has one wild imagination. She is a Yaoi Moe Otaku girl. She is caught up in the BL stories. Accidentally she is bumped by Takahiro , who she thinks is in a BL relationship with his best friend Shunsuke. Takahiro begins to like her and having to deal with her Otaku, and BL obsession is fun to watch. She tries to have him dress up, and get into strange positions so she can draw him. This volume had some really funny things happen in it. I would recommend this if you are looking for a good laugh but you should be 16 or older since it has some mature contents in it.
