## Intermediate Algebra for College Students Robert Blitzer

**Gets them engaged. Keeps them engaged. Bob Blitzer's** use of realistic applications instantly piques students' curiosity about the presence of mathematical concepts in the world around them. These applications are apparent throughout the entire program—from his relatable examples, friendly writing style, and thought-provoking features in the textbook, to the enhanced digital resources in the MyMathLab course. Blitzer pulls from topics that are relevant to college students, often from pop culture and everyday life, to ensure that students will actually use their learning resources to achieve success. With an expansion of the series to now include a Developmental Math "all-in-one" text (with content spanning prealgebra through intermediate algebra), and with an enhanced media program accompanying this revision, developmental students at all levels will see how math applies to their daily lives and culture. **Also available with MyMathLab** MyMathLab(R) is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them absorb course material and understand difficult concepts. **Note:** You are purchasing a standalone product; MyMathLab does not come packaged with this content. Students, if interested in purchasing this title with MyMathLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyMathLab, search for: 0134189019 / 9780134189017 \* Intermediate Algebra for College Students Access Card Package Package consists of: 0134178947 / 9780134178943 \* Intermediate Algebra for College Students 0134178947 / 9780134178943 \* Intermediate Algebra for College Students 0321654064 / 9780321654069 \* MyMathLab Inside Star Sticker

## Intermediate Algebra for College Students Details

Date : Published January 13th 2016 by Pearson (first published August 1st 1997)

ISBN : 9780134178943

Author : Robert Blitzer

Format : Hardcover 976 pages

Genre : Textbooks, Science, Mathematics, Nonfiction
