Something About The Hood In Him Porschea Jade

On the outside looking in, Isis is your average college student. But like the old saying goes, “there’s more than meets the eye.” While she tries to balance school and the relationship she has with her controlling boyfriend Donnie, she meets a stranger that causes more problems in her life than he knows, and she doesn’t even know his name.

Ishmael is an up and coming rapper, with his main focus on his career and raising his daughter. When problems arise within his brother’s camp, he has to decide whether or not to leave the street life to his older brother, or be his brother’s keeper.

Aries is learning to adapt to her newly single life after a breakup with her boyfriend of seven years, Darrion. All is well in her life until she meets the arrogant and cocky Jaiyceon, and he shows her that every good girl needs a little hood love. Everything is good with the couple until scorned exes come into play and turn their lives upside down.

Battling with lies and deception, they learn that no one is who they seem to be, and everyone is left thinking who can you trust. When emotions are high and tension runs deep, the end result in all of the mayhem can be deadly. Take a ride with the crew as they try to make it through their test of loyalty and the constant battle for their love.

This is my first read by this author and most definitely won't be my last. I totally enjoyed this book it moved at a fast but steady pace and liked the storyline and plot. This book was full of drama right from beginning to end and make for such a enjoyable read. Loved the characters and the sisters bond was beautiful and the guys unbreakable no matter what they all had each other's back. Definitely held my attention and I can't to see what's next for this author. Awesome Porschea Jade.

Great Read

This story had me all over the place, I was on pins and needles. Such strong characters. The story build up, character description, and never ending twists and turns kept me on edge.

Re release

I read to about 10% and thought i was tripping. Read a little more and was like no I read this before. Searched authors name. No book title stood out. I went to Goodreads searched authors name and "you give me purpose to love" came up as I've read it. Same damn book! Was a waste of the little time I did read of this book. The first time I read it I enjoyed it. This just irritated me.

This was a definite page turner. The story was well written from start to end. This story had all my up and down emotionally but in the end love concurred it all. Great job to the author

Shaunphoo says**This was good!**

I just love Jaiyceon he was determined to get his woman back and he did. Harmonee is grimy asf she didn't care about anyone, she got what was expected for all the mess she created. I love that Ish still wanted to raise Sa'rae even though she wasn't biologically his, I'm glad that in the end everything was good.

YVETTE RIVERS says**Wowwwww**

Alexicia Jones says**Woowwwwwww**

This book took me through every emotion that I know. Ice said something that was real about domestic abuse. The way the lives of these characters intertwined together was amazing. The way the story flowed and the plot with the twists and turns. I couldn't put it down. This was an amazing story that gave us a happy ending.

Kelly says**Awwwww**

Where do I begin? You have love, drugs, violence, drama all in one book. Did I mention it's just one book? No cliffhangers. No 7 books later with the same characters. A beginning, middle and end all in one book. For that alone I am grateful. I read this book in one day. That's just how captivating it was.

Pamela Johnston Ward says**Something about him**

This book had me all in my feelings. Isis and Ishmael's drama really took me there. But through it all, she

was one strong woman. All of that in the name of love. And poor Aries was going through it as well. My heart went out to both of those women. Thankfully it all worked out in the end. #VIPLiteraryReviews

Awesome!!

I really enjoyed reading Something About The Hood In Him! The guys had just enough swag and hood in them with some charm, just how I like them, to keep my attention. The storyline was good and not all over the place, but the ending was everything for me. I loved how it ended? I do recommend this book. Another good read Porschea Jade!

A great standalonr

This was a interesting read. It held my attention from beginning to end. There was a lot of snakes and back stabbing in this book. All the snakes got what they deserved. Jay, Ish is that bae. I am glad they got a happy ending.

What an emotional Ride!!!

Great read. Never was so invested in the characters in a long while.. I loved and hated them all at one point or another. Dolla, Murk, Harmonee and Maine got what they deserved!! Crucial was the MAN.. loved how he carried himself. Ice went through so much .. her happy surprise ended was everything. Harmonee made all women look bad.. she was more evil than anyone thought..good thing her family knew who she was and did the right thing. Aries and Jaiyceon were special..glad she can to senses in the end
