*3 1/2 Stars! ~ Forced to hide his identity, Alex Hunt starts a new job as an ordinary Joe in the hopes of finding his Cinderella. Surprisingly, he does on his first day at work --- P.J. is Alex's boss, and from the first look she knows he's going to be a problem. Both Alex and P.J. keep secrets and secrets so large they fear once they reveal them they'll lose each other. This is another lovely read in the series.*

### The Hunt for Cinderella

After suffering a mild heart attack, Harry Hunt faces his own mortality and realizes that his four sons are chips off the old block in their workaholic ways. So his gathers them together and proclaims that each must marry and their wives must be expecting be the end of the year, or the mighty Hunt dynasty will be sold off chunk by chunk. To further the challenge the brides-to-be cannot know that they are marrying into money, these must be true love matches!

I'd rate this 3.5 stars if I could, but I'll round it up to 4 stars for Goodreads. It was nice, a pleasant Harlequin romance, with good characters and an interesting story. The original premise of Alex's father's crazy scheme to get his sons married is pretty convoluted. But accepting that, the book moves along quickly. When Alex hides his identity and gets a job at one of his father's warehouses as a picker, he is looking for a wife who will want him for himself and not for his money. PJ, his supervisor, is also hiding her identity as an heiress. But their attraction for each other is immediate and overpowering, resulting in a hot encounter soon after they meet. PJ puts roadblocks in their way, but the chemistry is still strong. Simple and straightforward, this story is a typical romance, but still an enjoyable, quick read.
