The Dangerous Dandy

Barbara Cartland

The Dangerous Dandy Barbara Cartland

Alyna saw no escape. Her mother, a selfish and cruel woman, insisted that she marry the wealthy Prince Ahmadi of Kahriz, a man who made the beautiful Alyna cringe in horror.

She saw only one way out - a cold leap into the Thames. And she would have done it if one man had not saved her. That man was Lord Dorrington, London's famous dandy, pupil of Beau Brummel, and the most sought after bachelor in Regency England.

But not the danger had just begun for Alyna. Hunted by the Prince and his allies, she was trapped in a desperate web of agonizing fears, murder and intrigue.

Could Lord Dorrington save her one last time?

Brittany says

This is one of my very favorite books by Barbara Cartland. I have read it over and over, this is one of the ones I will hang on to.

Tserten Tenzin says

Liked it

daydreamer says

This book is one of the things that reminds me of my grandmother. It was one of the books in her romance library. I will never forget it....

Nadia says

I really liked this one till hero started to tell how fabulous he is. Luckily that didn't happen until the very end of the book.

Other then that it was a nice story. Hero again was pretending that he is just a worthless dandy when really he was smart and clever, knew his arts and was very sporty. Heroine was pretty good too. The ~~two~~ three other things that bothered me was how H knew h exact measurements to order clothes that fitted perfectly, how they could to legally marry if she was not of age and he didn't get permission from her guardian or had time to get special license and how they managed to fall in love in two days when they didn't even see each other the whole time.

LaFleurBleue says

One of the very few very good books I read from Barbara Cartland.

The heroine is not naive, neither stupid, though a bit young and slightly weak. There is a real wicked man in the story who progressively unravels himself and his nefarious wants. I really liked how the relationship between the 2 main characters develops and matures over time.

A very nice romantic reading.

Debumere says

I think this review of 3 stars is outside of my usual scoring simply because the last book I read was so

horrendous that this was a welcome relief.

It was going well until about 70% of the way through when it got a bit silly and cheesy but easy to read and I didn't hate it

Winner.

Eyla says

It was quite nice to listen to on my drive to and home from work.
