Discover the self-paced, self-directed learning approach that helps you master QuickBooks Online Plus (QBO) while reviewing your understanding of financial accounting and reporting. **QUICKBOOKS ONLINE FOR ACCOUNTING** clearly illustrates how accounting information is both created and used to make key decisions. This book focuses exclusively on QBO, the user-friendly tool that provides point-and-click simplicity and sophisticated accounting reporting and analysis tools. Easy-to-read instructions, real examples and manageable assignments help you review accounting concepts and principles as you practice the QBO application and analyze business events. You learn how to set up QBO for a business and use it to record business events; generate financial statements and reports; and communicate important information to business owners, investors, and creditors. Master skills that will translate into on-the-job success no matter what accounting applications your future employer uses.
