Balachandar Kaliappan says

Raju Murugan's book threw insights about humans. The book travels into different dimensions talking about Nights, Festivals, Friendship, Childhood, People, Hunger, Women, Love and so many. All the chapters were very lucidly written to please the readers. You will find many information about cinemas, poems, and books that he read through his life. It's similar to an autobiography woven with his own sayings to the world. First chapters starts with "Hunger" and the last chapter is "Life is Beautiful" and both of them will certainly make you to cry or at least think of people who are suffering more than us. To end the review I must say, spend sometime to dwell into the book and I'm sure you will get information from it.

Over-romanticizing things mars an otherwise beautiful series of essays spanning common people and their lives. The author's strength is conjuring a cast of miscellaneous characters. A Tamil-movie like book where sharp dialogues of K.Balachander meet the maudlin world of Vikraman. Wishing that there is less of Vikraman in Rajumurugan's foray into movies.

This book is actually a collection of weekly articles written by Raju Muragan on a renowned Tamil weekly magazine, "Aanandha Vikatan". This book only has the first 70 articles. It's a pleasant read and most of them brings back the nostalgic memories in ones life. I hope Vikatan would publish the 2nd part once the series is over.
