### **Heidi and the Kaiser by Selena Kitt**

Blurb:

Mousy little Heidi is a wanna-be designer who works as nothing more than a glorified go-fer for one of the largest and most well-known companies in the world of fashion. When she accidentally stains CEO Warren Kaiser's pants, she gets two things she didn't expect--a spanking...and a job. Kaiser hires her as his assistant, and her "training" proves to be quite a test of surrender.

Bio:

Selena Kitt is a USA TODAY and TOP 15 NEW YORK TIMES BESTSELLING AUTHOR of erotica and erotic romance fiction. She is one of the highest selling erotic writers in the business with over a million books sold!

### **Yield To Me by Sarah Castille**

blurb:

Amateur MMA fighter, Marcy Foster is determined to win the state championship. But dark secrets and a broken trust mean there's one submission she just can't master. Fortunately Club Excelsior has hired a coach who knows all the right moves.

Sexy, confident and commanding, fight consultant Jax demands control, both in and out of the ring. But once he has Marcy against the ropes, Jax knows he's in too deep. He has the dominance to give her what she needs, but once he unleashes her hidden passions, there's no going back.

Under Jax's skilled hands, Marcy submits to her deepest desires. But when her personal and professional worlds collide, she is forced to face a brutal truth — yielding to her darkest needs may be the one thing that costs her the fight...and her heart.

Bio:

New York Times and USA Today Bestselling author, Sarah Castille, writes contemporary erotic romance and romantic suspense featuring blazingly hot alpha heroes and the women who tame them. A recovering lawyer and caffeine addict, she worked and travelled abroad before trading her briefcase and stilettos for a handful of magic beans and a home near the Canadian Rockies.

### **Finding Love's Wings by Zoey Derrick**

Blurb:

CAMERON ENDERS seems to have it all: a brand new condo in a city she loves, a top executive position at an international entertainment firm, an insane amount of money, and a gorgeous boyfriend. But when Cami catches the boyfriend in the act with another woman, it triggers all the anguish from years of neglect by her parents, and she realizes she never learned how to love or be loved. Cami flees to the remote tropical island of Tarah, but she can't avoid facing her problems any longer when she meets the man of her fantasies...

Bio:

Best Selling Author Zoey Derrick comes from Glendale, Arizona. She was once a mortgage underwriter by day and is now a paranormal, romance and erotica novelist full-time. She writes stories as hot as the desert sun itself. It is this passion that drips off of her work, bringing excitement to anyone who enjoys a good and sensual love story. ? ?

Not only does she aim to take her readers on an erotic dance that lasts the night, it allows her to empty her mind of stories we all wish were true. ? Her stories are hopeful yet true to life, skillfully avoiding melodrama and the unrealistic, bringing her gripping Erotica only closer to the heart of those that dare dipping into it. ? ?

The intimacy of her fantasies that she shares with her readers is thrilling and encouraging, climactic yet full of suspense. She is a loving mistress, up for anything, of which any reader is doomed to return to again and again.

### **Butterfly by Elle Harper (Sibel Hodge)**

Blurb:

Grace Elliot is falling apart. Overwhelming tragedy has turned her world into a dark and lonely place. She's alive...but not living.

Counsellor Ben Hardy is certain he can help Grace heal. Maybe it's a way to rid himself of the demons haunting him from that one horrific night when his life shattered. When they meet, everything changes, and their pasts offer them a remedy to save each other.

Bio:

Sibel Hodge is an International Bestselling and Award Winning Author. She has 8 cats and 1 husband. In her spare time, she's Wonder Woman! When she's not out saving the world from dastardly demons she writes an eclectic mix of genres.

Her work has been shortlisted for the Harry Bowling Prize 2008, Highly Commended by the Yeovil Literary Prize 2009, Runner Up in the Chapter One Promotions Novel Comp 2009, nominated Best Novel with Romantic Elements in 2010 by The Romance Reviews, Runner Up in the Best Indie Books of 2012 by Indie Book Bargains, Winner of Best Children's Book by eFestival of Words 2013, and Winner of Crime, Thrillers & Mystery | Book from a series in the SpaSpa Book Awards 2014. Her novella Trafficked: The Diary of a Sex Slave has been listed as one of the Top 40 Books About Human Rights by Accredited Online Colleges.

### **Weekend at Wilderhope Manor by Lucy Felthouse**

Blurb:

When Stephanie and Jenny go to a Murder Mystery Halloween weekend at Wilderhope Manor, they're expecting fun and games. But following creaky floorboards, spooky noises and an alarming encounter in the Manor's grounds, the girls begin to wonder if there's more to Wilderhope Manor than meets the eye. As they find frequent comfort in one another's arms – and their bed – will the girls discover what's causing the bumps in the night, or will they run scared?

Bio:

Lucy Felthouse is a very busy woman! She writes erotica and erotic romance in a variety of subgenres and pairings, and has over 100 publications to her name, with many more in the pipeline. These include several editions of Best Bondage Erotica, Best Women's Erotica 2013 and Best Erotic Romance 2014. Another string to her bow is editing, and she has edited and co-edited a number of anthologies, and also edits for a small publishing house. She owns Erotica For All, is book editor for Cliterati, and is one eighth of The Brit Babes.

### **At Any Price by Brenna Aubrey**

Blurb:

When Mia Strong, proud geek-girl and popular gaming blogger, auctions off her virginity online, she knows she'll make waves. But what she will not be making is a love connection. Her rules are set in stone: One night. No further contact. It's a desperate step, but it's the only way she can go to medical school and pay her mother's mounting hospital bills.

Adam Drake, the enigmatic auction winner, is a software prodigy who made his first million at seventeen. Now, in his mid-twenties, he's sexy, driven and--as CEO of his own gaming company--he's used to making the rules. Before Mia knows what's happening, he's found the loophole in the rules of her auction. Every stipulation she's made to protect her heart gets tossed by the wayside.

Bio:

Brenna Aubrey is an author of New Adult contemporary romance stories that center on geek culture. She is also a mom, teacher, geek girl, Francophile, unabashed video game addict and eBook hoarder.

### **Closure by Kim Carmichael**

Blub:

There's always the one...He's one person throughout life you think about every so often, the one who leaves his unique indelible mark on you, the person with whom you need closure. For Margaret Collins that person was Mike Taylor. After he broke her heart seventeen years ago, she left everything she knew and reinvented herself. With a new home, a new look and a new name, Riley Williams is now an up and coming journalist given the assignment to interview a Mike Taylor. She never suspected he would be her Mike Taylor. With Mike having no hint of Riley's true identity, she must decide if she will make him pay for sins he doesn't remember committing, or if she can wipe away the past and be with the one man who she has always wanted?

Bio:

Kim Carmichael began writing eight years ago when her love of happy endings inspired her to create her own. A Southern California native, Kim's contemporary romance combines Hollywood magic with pop culture to create quirky characters set against some of most unique and colorful settings in the world. With a weakness for designer purses, bad boys and techno geeks, Kim married her own computer whiz after he proved he could keep her all her gadgets running and finally admitted handbags were an investment. Kim is a member of the Romance Writers of America, as well as some small specialty chapters. A multi-published author, Kim's books can be found on Amazon as well as Barnes & Nobel. From alcohol to makeup to infrared cameras and even scientific lasers studying the atmosphere, Kim has worked in some aspect of sales and marketing for over twenty years.

### **Devil's Kiss Trilogy by Gemma James**

Blurb:

Kayla Sutton faces a question no mother wants to face: what would you do to save your daughter? Broke and desperate, she siphons thousands from the company she works for to pay for her daughter's life-saving treatment, but when Gage Channing discovers her theft, she learns her boss has no intention of turning her over to the police. Instead, he issues an ultimatum—submit to him, or go to jail. As her daughter's life hangs in the balance, Kayla must dig deep to find the strength to travel down the path of pain and pleasure. But when her past catches up to her, prompting a free fall into forbidden territory with a man she once loved, she knows her only recourse is to come clean and beg her Master's forgiveness. INCLUDES: Ultimatum, Enslaved, Retribution.

Bio:

Gemma James (a pseudonym for Christina Jean Michaels) loves to explore the darker side of sex in her fiction. She's morbidly curious about anything dark and edgy and enjoys exploring the deviant side of human nature. Her stories have been described as being "not for the faint of heart." She lives with her husband and their four children--three rambunctious UFC/wrestling-loving boys and one girl who steals everyone's attention.

### **Touched By Death by Dale Mayer**

Blurb:

Anthropologist Jade Hansen returns to Haiti to face the demons of her past and finds herself back in the path of danger...and falling in love with a man who's in the middle of it all.

Bio:

Dale Mayer is a prolific multi-published writer. She's best known for her Psychic Vision Series. Besides her romantic suspense/thrillers, Dale also writes paranormal romance and crossover young adult books in different genres. To find out more about Dale and her books, visit her at <http://www.dalemayer.com>. Or connect with her online with Twitter at [www.twitter.com/dalemayer](http://www.twitter.com/dalemayer) and on Facebook at [www.facebook.com/dalemayer.author](http://www.facebook.com/dalemayer.author)

## **Just Another Day At The Office by Hedonist Six**

Blurb:

It's Cath's first day at the new job, and she's feeling overwhelmed. Her colleague, John, is able to set her pulse racing just with his presence, while their sleazy boss, Richard, seems unable to grasp that she's not into him.

John is used to being ignored, or worse, by the opposite sex. When new girl, Cath, tries to get his attention, he reacts in the only way he knows how: with suspicion. Can she convince him he truly is the man of her dreams?

Bio:

Hedonist Six (or simply "H.") is a Romance writer based in rainy England. Addicted to caffeine, chocolate and impure thoughts, she likes to write short stories and serial novels dealing with those aspects of the human condition that we all think about, yet dare not discuss openly. No-one is perfect, neither are her characters, which makes them all the more relatable and well-liked by her fans.

## **Summer's Journey by Summer Daniels**

Blurb:

Join Summer on her journey of sexual self-discovery; a well written, intelligent and sexy series about the beginning of her sensual, sultry love affair with life, and all the joys of being a woman.

Bio:

Summer Daniels is the webmistress of WTRAFSOG, a unbelievably active reader recommendation / author promotion community. She also has penned the first few volumes of a True Romance / Erotica series called Summer's Journey which tracks her sexual awakening after a long, boring marriage.

## **From Reader Review What to Read After FSOG: The Gemstone Collection for online ebook**

### **Dianne says**

I have only read *Butterfly*: I didn't know what to expect when I started this book. It was such a powerful story and so well written that I stayed by the pool reading all day and ended up with a sunburn. Yes, I know it is January, but this is Texas! It was so compelling that I was immediately swept up into the story. All the characters were well developed and interesting. It deals with issues that most of us prefer not to think about or read about, but it was such a beautiful story that I am immensely glad that I read it and will recommend it to every woman. Even if you haven't had something tragic happen to you, hopefully it will make you feel more compassion to someone who has. It also doesn't disappoint in the romance department either, which is the uplifting part of the book. I almost hate to mention the romance part in case that leads you to think that is all this book is about; it is about so much more than that. It is about trust and compassion and caring and love.

---

### **Elaine says**

Good mix of themes

---

### **Tammy says**

Ten great reads for one low price. I purchased this wonderful group of books due to the fact that some of my favorite authors were included. Selena Kitt and Elle Harper are two of my favorites and their stories did not disappoint. But the wonderful thing is I got to explore new authors and will certainly be adding them to my TBR list. These stories have a little bit of everything mystery, adventure and emotion. Oh and how could I forget, the hot sex, it was mind blowing! This is a wonderful addition to this series.

---

### **Rhiannon Overby says**

If you like smut books this is the collection for you. Discover 10 smut filled books by 10 different authors for on GREAT PRICE!

While some of these books just didn't do it for me, the collection was big enough that I was able to find exactly what I enjoyed reading and was able to discover some new authors. This collection has something for everyone!

\*I received this collection in exchange for my honest opinions\*

### **\*\*BOOK ONE\*\*5 STAR REVIEW\*\***

Heidi & The Kiaser  
By: Selena Kit.

<http://amzn.to/1uBuvxc>

Heidi is an average Jane doing an average job as a plebian in a not so average, high end fashion House. Her desire is to be a top fashion designer, but she hates her job.

She's frustrated with her current list of tasks (fetching coffee) and thoughts of how long it will take to reach her goal. World known designer, Mr. Kaiser is the CEO of the fashion house. He's polished, handsome, an Alpha male in textbook format.

Heidi accidentally spills coffee on Mr. CEO Perfect Kaiser's pants which brings a punishment (spanking) and an opportunity, for he offers her a job to be his assistant. Thus begins an entirely new and unimagined chapter in her life. She's scared, titillated, and sees this as an opportunity for him to see what she can do in the fashion world. It's offer she couldn't refuse.

The story has its challenges involving stolen fashion designs and power and relinquishment struggles with BDSM behaviors between the two characters. This reminded me a lot of the movie, Secretary, with James Spader and Maggie Gyllenhaal. James Spader's character is the CEO of a company, and his name is Mr. Grey. Ring a bell?

It should you Fifty Shades of Grey fans. Maggie's character is his newly hired secretary. Their BDSM relationship is interesting and satisfying to both, as is Heidi & Mr. Kaiser's new found relationship. It's a steamy invigorating short story we think you'll have fun reading.

---

\*5 Star Review\* Book #2: Yield to Me by Sarah Castille  
Genre: Contemporary Romance  
<http://amzn.to/1vkESqd>

Marcy has a hidden desire, one that sent her college boyfriend running and he never looked back. Now a MMA fighter, Marcy's hidden desire is threatening to ruin her career before it even starts. Jax is a sexy, mysterious, former MMA fighter turned psychologist hired to help train the fighters at Club Excelsior. Jax is drawn to Marcy as soon as he sees her but it isn't until he gets her in the ring that he realizes her potential, both in and out of the ring.

Can Marcy and Jax find a way to draw a line between the physical and professional or will Marcy's desires end her career for good?

This book was HOT. It gave me everything I wanted in a novel; a good story line that was different, a hot alpha male and steamy sex that made me want to jump on the pages and take Marcy's place. I love that the author portrayed Marcy as a strong woman. Sure she had her issues, but she wasn't broken like most of the women we see in this genre.

I liked the balance that the author maintained between the characters, they fed off of each other and one wasn't in more control than the other. Well maybe a little bit . There was a good give and take between Jax and Marcy and there were a few times that I thought she would turn the tables on him and have him submitting to her.

I would highly recommend this book to anyone looking for a quick read. It doesn't hurt that there is hot guys and even hotter sex. I would love to read about more of the fighters from Club Excelsior.

---

#### \*5 Star Review\* BOOK THREE

Finding Love's Wings

By: Zoey Derrick

<http://amzn.to/1tcPh3h>

Meet Cameron Enders. She's covered in incredible tattoos and several body piercings. She's smart, clever, beautiful and we dare say a bit cold. She has a degree in public relations and from the outside looking in, she seems to have it all. She looks great on paper. Truth is, she doesn't really know what to do with her life.

She's resentful about her childhood, for even as a young adult, she can't stop thinking about how her self-serving parents shipped her off to boarding school in England, at a very young age. She was at an age when she really needed them. Her mother died shortly thereafter and her father died about a year ago. She felt incredibly alone. Her father however, left her with one big surprise.

Cami must take over as the CEO of their PR firm, Bold. If she does not, the company will be sold at auction to the highest bidder and profits from the sale would be donated to charity. Cami reluctantly decides to take on the ominous role as CEO, although through a loophole, she can remain as the "non-active" CEO and still keep the company intact. Many at the firm believe she is ready to take on this new challenge, but Cami isn't as secure in those thoughts. She is sure that her father is setting her up for failure, again.

Tristan Michaels is a very handsome actor that doesn't particularly care for all the attention he gains by doing what he what he loves most, and that's acting. His father passed away when he was a young child and he never had the chance to know him. His mother did everything in her power to make sure Tristan had the life and lifestyle he deserved. Then sadly, his mother passed away. Tristan had never felt so alone. He plunged into acting and auditioned to be an extra in a movie.

Through a fantastic twist of fate (or rather face in his case) he got the lead role instead. He begins dating his beautiful costar Layla trying to fill a huge void of love and caring, in his life. Five years later, he realizes he was being used. Layla blatantly participated in a sex tape that had been leaked to the press and all hell was about to break loose. She was always doing things that he found he had to do damage control for her reputation. The embarrassment and the betrayal are almost too much for Tristan to bear. He has to get away.

Cami leaves her home in Phoenix to escape the betrayal of her own boyfriend who has cheated on her, yet again. She flies to a remote island to pull herself together without the distractions and persuasions of the rest of the world. Meanwhile Tristan is fleeing his life in LA while he waits for the fallout of Layla's scandal to pass. He too flies out to a remote island to avoid the press and just to be free to be himself for a while. Fortunately fate brings them together in this luxurious place. They can't bank on the press or public relations specialists to sugar coat them to others as they are presented.

They can't rely on anything or anyone else to reveal their character. Only they can. To Tristan, Cami is an "angel" and she's not like the others. No, far from it. She's authentic and unafraid and Tristan likes that, a lot. Tristan is Cami's long time celebrity crush! She's excited but she must play it cool and not be all caught up in his fame, like anyone else would be. Sparks begin to fly immediately between them and this makes for a very steamy filled book. Thank goodness!

We enjoyed this book so much. They are unique characters and we kept playing this as a movie in our heads. The song "Can't Buy Me Love" kept sounding in our minds too, for with all that these two had, it wasn't what they really needed.

Will Cami and Tristan be able to put their past behind them and find love in each other? Will they be able to trust each other so much, put down their walls and let the love in? We'll be reading the sequel to this!

---

\*5 Star Review\* Book #4:

Butterfly by Elle Harper

Genre: Contemporary Romance w/ mature themes

<http://amzn.to/1ommB1R>

Grace and Ben both have secrets that they aren't ready to share with anyone. These are secrets that have been haunting them and following them on a daily basis. It isn't until Grace decides she might need help, that she meets Ben. Can these two characters work together to overcome their demons, or will the demons conquer all in the end?

I thought that this book was beautifully written. I didn't feel uncomfortable at any point while reading like I thought I would have. The author does a great job depicting the vulnerability and paranoia of a rape victim.

Ben isn't flying in to save the day, he helps Grace. He makes her believe that what happened to her isn't her fault, she wasn't asking for it. He helps her see that life can go on after her rape. Ben gives Grace the hope that she can become a stronger person. Much like a caterpillar transforms into a butterfly, Grace changes from a scared, paranoid victim to a beautiful, brave woman.

Ben is a sweet, warm and caring man. He uses his pain to help others on a daily basis. As much as he helps Grace, she helps him too. They realize that they need one another to help heal. Amidst their healing they begin to develop a romance that only grows as they grow stronger.

Overall, I enjoyed the characters and flow of this story. It started off a little slow for me in the beginning but once it picked up I wasn't able to put it down. I have to say, the cover is beautiful, if I wasn't reading this for a review I would purchase the book on the cover alone. It really symbolizes Grace and her journey on the path to recovery.

I would highly recommend this book to anyone who has felt that they were a victim in some way. Maybe you have dealt with the pain and overcome your issues, but if you haven't and you are like Grace, this book may help you become the butterfly you were meant to be.

---

\*5 Star Review\* BOOK FIVE

Weekend at Wilderhope Manor

By: Lucy Felthouse

<http://amzn.to/1lPkGmV>

Stephanie and Jenny are headed to one of those fun Murder Mystery Halloween parties at an estate in the country, for the weekend. They are excited about the weekend to come and Lucy Felthouse did a great job of setting the stage.

She uses great detail and evokes genuine feelings about the tension and nervousness this type of environment can evoke. While there, the girls really rely on comforting each other for comfort and to expend their nervous energy.

This book is a quickie and a goodie. It's fun, it's exciting and Lucy is gloriously vivid with her writing.

Don't pass this up. I highly recommend it!

---

**\*5 Star Review\* Book #6**

At Any Price by Breanna Aubrey

Genre: Contemporary New Adult Romance

<http://amzn.to/1mAehfu>

When I read the synopsis of this book I thought, oh I've seen this concept before. Virgin tired of waiting and auctions her virginity to the highest bidder. Granted it ended up with said virgin in a body bag, but none the less, I was intrigued.

Mia is a strong, beautiful and smart woman with issues in her past. Her mom has cancer, she has no father and she is struggling with the fact that she was sexually assaulted as a teenager. If it wasn't for her best friend Heath, her love of gaming and her desire to become a doctor, she probably wouldn't get through the day.

It's no question that the lucky man to deflower Ms. Mia is going to be super rich, (he pays 1/2 a million dollars) and crazy gorgeous. What surprises Mia is that this gorgeous man is a gaming architect. Adam Drake isn't your typical dominating alpha male. We can tell from the beginning that he is attracted to Mia. He knows what he wants and isn't going to stop until he gets it.

For me, this book started a little slow with the Virgin Manifesto, but once we get a glimpse into Mia and Heath's relationship it quickly picks up. It was a quick read for me and I really enjoyed it. The sexual tension between Adam and Mia on "the night" can be cut with a knife. When it finally comes to a head it is hot, hot, hot. I liked that the sexual encounters between them only intensified throughout the book. There are a few twists and turns throughout the book that you may or may not see coming but that doesn't take away from the fact that this book is enjoyable. I am looking forward to the other books in the series and am really interested in reading more about Heath. I'm a sucker for a gay best friend.

I recommend this book to anyone who is looking for something different and I tired of the damsels in distress and the billionaires who save them.

---

**\*5 Star Review\* BOOK SEVEN**

Closure

By: Kim Carmichael

<http://amzn.to/1lPkGmV>

Would you love a second chance with that one special person? Riley is about to find out how this is going to work for her, but she's got an often considered twist in her plans. She's put her gothic emo self of high schooler behind her and has become a big time, chic, professional writer in Malibu. No one treads on her spirit anymore. Hopefully not Mike Taylor, again.

Mike Taylor is the boy she was running from after high school. He broke her heart. Now, as an adult, she has the opportunity to interview him professionally. He won't remember Margaret, the girl he knew her as in high school.

He'll meet Riley, nearly the complete opposite. She's not even a fraction of the person she was before. So much has changed and really, isn't there at least one time in your life you'd like to do the same; move away, change your look, change your name, your everything and finally become the person you know you are?

Will Riley walk away this time with her heart intact? Will she crumble and fall head over heels for him all over again? Will he figure out who she is? You'll have to read to see how the new and improved Riley handled this dilemma many of us would like to be in, in this book. We're ready to see where else this can lead. An entertaining and interesting quick read.

---

\*5 Star Review\* Book #8

Devil's Kiss Trilogy by Gemma James

Genre: Dark Contemporary Romance

<http://amzn.to/XbKW5H>

How far would you go to save someone you love? Would you do whatever it took, even if it meant submitting fully to another person.

This book begins similarly to many of the BDSM novels I have read. Woman in trouble, needs financial help, signs her life away to an alpha male billionaire with a BDSM fetish. I was surprised at how quickly it got to the point. I got chills putting myself in Kayla's position.

Being a mother to a toddler myself, I couldn't help but think if I would do what she did. Part of me wants to say so, that I would just suffer the consequences but then again, I would want what was best for my child, and I would do whatever I had to do to ensure their safety.

That being said, as I delved deeper into this book I wanted to jump in and scream at Kayla.

I couldn't understand how she could go through with Gage's treatment of her, after finding out her past demons. Gage is a true sadist. He pushes Kayla to the brink of pleasure and pain. Mostly, it leans more towards the pain side. We see glimpses of Gage's soft side and we think maybe Kayla will be able to change him. This book made me feel excited even when I knew I should've been uncomfortable. I pictured that was exactly how Kayla felt. She knew she didn't want what Gage had to offer, but as always, master knows best.

---

\*5 Star Review\* Book #9

Touched by Death

By: Dale Mayer.

<http://amzn.to/1lPkGmV>

Jade Hansen, is a shell of the person she once was. Tragedy has touched her life in more ways than one and more than once. A year ago she was engaged and in Haiti after the first devastating earthquake hit the area. Jade was broken by all the devastation and death that surrounded her in Haiti.

After returning to the states she lost her fiancé and death of her unborn child drives Jade within herself. After much prodding from her brother, Jade decides to return to Haiti with a team, on a mission to find the remains of an American family and return them to the US for a proper burial. Dane Carter is also in Haiti trying to help the rebuilding efforts. He is visiting his brother and his sister-in-law, trying to bring revitalization to the country.

The moment he sees Jade sparks begin to fly and neither one of them can ignore the connection any longer. Dane and Jade's romance is clouded by missing team members, and old voodoo woman's warning and missing loved ones. Can Dane protect Jade? The ending (no spoiler here) is not what you would expect. Riveting!

Having lost a dear friend due to the earthquake in Haiti, this touched a nerve with me. My friend was a doctor who had just arrived to the island and was getting settled in at his hotel. He had been there for 30 minutes when the earthquake struck. It took 3 months for his body to be recovered. Yes, this book hit home. The romance was a lovely diversion and Dale hit the nail on the head with the details of Haiti.

This book will have your attention grabbed from the very beginning. You're going to love it!

---

\*5 Star Review\* Book #10

Just Another Day at the Office

by Hedonist Six

Genre: Contemporary Romance

<http://amzn.to/1oYw0ld>

Do you believe in love at first sight? Cath does. The minute she sees John she is drawn to him, but he isn't your typical book boyfriend material. Where John is a big guy, he has a little extra weight around the middle. Surely, Cath can't really be serious about him? Wrong! Cath likes a guy with a little more meat on his bones. She instantly has naughty thoughts about him and doesn't know how she is going to survive working so close to someone who turns her on so much.

John isn't used to the attention that he is getting from Cath. Because of his size he was always picked on and no girl ever gave him the time of day. Even his ex-girlfriend admitted what they had wasn't real while she was sleeping around with his brother. Can John look past his insecurities and believe Cath truly has feelings for him or will those insecurities pull them apart?

This was a feel good story about two average people. They go to bars, have everyday jobs, are insecure and have sex just like everyone else. I really enjoyed reading this story. It was refreshing to read a story about people who were "just like us". They work normal jobs, deal with chatty co-workers and a skeevy boss.

Much like any new relationship, Cath and John face roadblocks, mainly in the form of John's insecurities. But, you find yourself pulling for them and hoping they can get past them. I love that Cath wears the pants in this relationship. We are used to seeing the man being all alpha and dominant. It was nice to see a woman taking charge for a change. Cath knows what she wants and she helps John find out what he wants. When they both get together it is hot and believable.

I would recommend this book to anyone who likes a feel good romance with steamy sex.

---

Summer's Journey  
By Summer Daniels

Kindle US - <http://amzn.to/1hok5Gw>

This series is about a journey of sexual self discovery after my divorce as I sought something new and exciting.

In her Forties, looking for something new, exciting and different. Will she find what she is looking for?

Wow I was hooked from the first page. I felt like I was reading someone's erotic journal. The story and the characters seem very real and believable. I thought the writing style was fun and easy to read. You could actually feel the connection between Summer and Mark. The Alphabet has never been more fun.

After book One you will download book Two so fast your kindle will smoke! And the journey keeps getting better, richer, more exciting. You connect, imagine, and fantasize about the characters. You won't want to stop!

Definitely a book to put on your must read series list ! I highly recommend this book!!
