## **When A Heartless Thug Holds Me Close 3: A True Love Story** Tya Marie

The cards have fallen where they may and in the final installment of When a Heartless Thug Holds Me Close, this true love story may come to a tragic ending if the Townsend Brothers are unable to dead their beef with the Assan Brothers once and for all.

The confidence Yara restored in herself has come under fire after Ghetto's vicious attack on her, leaving her body as well as her mind under duress. However, she doesn't have to fight this uphill battle by herself because Quade is there for her, kissing her scars and healing old wounds that threatened to reopen. With the budding romance between her and Quade being placed in jeopardy, Yara returns the favor by becoming Quade's solace throughout a war for the books. Her loyalty to Quade is enough to keep him from teetering over the edge, but when tragedy strikes the Townsend Brothers, Yara's love might not be enough to tame Quade's wild ways.

Quade Townsend has always kissed death on the lips, played a game of tug-of-war with it, and thinks of it as a badge of honor to end his premature life. Fighting against the Assan Brothers has made him a friend of it as he gifts casualties of war over as fast as his deadly trigger finger can allow. But what happens when death stakes a claim to someone he loves and in return promises to return back for seconds after a bullseye has been planted on another? Quade finds himself trapped between guarding his life so he could have a future with Yara and sacrificing it for the sake of family. After making the decision with a heavy heart, Quade discovers that a new life is on the line and even if he manages to save it, his days with Yara will certainly be numbered.

After being entangled in a bed of lies, Cash wakes up to the reality that her relationship with Savion is no longer salvageable. Her fears are confirmed after the betrayed Townsend Brother teaches her a hard lesson on the game she's never likely to forget. Cash quickly falls out of love with the game as she had once fell in love with it, vowing to go on the straight and narrow to pursue her styling business. She's finally achieved inner happiness at the thought of a life filled with normalcy when Savion returned offering her the opportunity of a lifetime. Unbeknownst to Cash, this deal comes with the return of an old flame that never quite ignited. Torn between a promising future with Mr. Right and her undeniable feelings for a heartless thug, Cash has to decide if she's going to go with her head or her heart.

#### **Yes! Amazing series!**

This is one hell of a series! From book one to three, just full of intense drama, laughter, romance... entertainment. Fantastic series that everyone is sure to love. Well written, great storyline, definitely engaging and will leave you feeling for more. I'm gonna miss these Townsend brothers. Loved it!

#### **That ending**

Omg this was so good. I was so mad with Quade for leaving Yara but at the same time I understood. I wanted Cash to stop acting so hard and let Savion love her. I was glad when they finally got back together. But baby when Hasani showed up I almost cried. I didn't see that coming at all. I am glad him and Gia got back together. The only person who didn't get real love was Zeus. I think he deserves true love and I don't think he has found it. I wanted more of Quade and Yara. And more of those Townsend brothers. Great book.

#### **Love The Townsend brothers**

Quade will forever be my favorite Townsend. Not because he's fly, he knows how to handle himself in every situation or he has all the chicks but because none of these things are true! He's a flawed individual with so many issues, but he loves hard. He knows his imperfections. He's not the boss in the streets, he doesn't care about all of that. He's as real as it gets. This is why this series is sooo good. The love between these brothers is amazing. They ride for each other, no matter what. Their relationships with the ladies is flawed, imperfect but real. They all have made mistakes, been selfish with the ones they love. It's great to see how they all work through their issues. There's some crazy, crazy moments (Saiid, wow), I'm sad to see them leave. What about Zeus?? He became a little more interesting to me in this one, what's his story?

#### **Great ending**

Cash, yara, Gia and Lauren were perfect for the Townsend brothers, Quade had me too hot with his disappearance act but other that he was bae all day, didn't even cheat on Yara, i loved them and how their relationship wasn't super sexual. Savion was bae tho, cash was lying to him too much but i still loved her and she could have died with that Lil test Savion put her through, the honestly needed to go through all the

things they did, it made their relationship more solid after starting with so many lies, Hasani ended up being Quade best friend and that made me love him, i was so through when i thought he was dead, my heart went out for Gia. Lauren turned out to be a stand up chick and got big bro Zeus

#### **Good book**

I loved how Quade finally came into his own. How he finally opened up but it took him having a family to make him realize some things. Also when you hurt someone you gotta try to make it up especially when you love them. Zeus may have got his love back. Hopefully he can be happy for once. Savion loves Cash but they are not where they need to be. They will get it together. Hasani is back & decided Gia is his future. Will things work out for them or is there someone else out there to hurt them. Now all brothers are in love & gotta make the best of it. Ready for the next book to see what will happen & how their futures are going.

#### **I Love It!!**

I cannot believe how this played out! A part of me felt like Hasin was still alive but I couldn't call it. I'm so happy everybody made up and was able to over come all of the obstacles thrown at them. Love is truly amazing! I hope there's a final with all the brothers and their ladies!!!! Please

#### **Out of my Rut!**

I had been in a reading rut for a couple of weeks, where nothing really held my attention. Even books from my 'go-to' authors weren't doing it for me. I was only reading standalones, so I didn't really have high hopes for this one either, but there was just something about Quade that made me fall in love. This story was so good. The love between him and Yara put me in a happy place. This book was actually funny too. I'm glad I came across this series and will be looking forward to more of this author's work!

Great ending to a great series. Loved each of these characters and hate to see it end. Very well written and loved the characters all developed. The Townsend brothers were a force to be reckoned with and didn't take anything from anybody. So glad everyone got their happy ending. Highly recommend this series. Can't wait to see what's next from this author.

#### **Whew !!!**

For a minute I was scared to turn the pages. Quade didn't deal with pain, his first reaction is to run. Yaya I admired her strength because she's been through some things. Cash I'm glad she finally knew her worth and demanded better from Savion...The Townsend clan finally got it together....

#### **Yeah It's Good!**

Yeah just like in the first two stories, this was just as good if not better. The writer gives us a stunning conclusion with a few twists and turns that are going to surprise you. I love that the family comes full circle and that we get to see the stunning conclusion of everyone's relationships. This was just a well thought out series and just a good way to entertain yourself.
