Pretty good short story. I liked it but I wish there was a bit more character development. Overall it was a nice story even if I felt it was a little stilted. Kelly and Trey made a good couple and it was a good Christmas story.

Wow! Not what I was expecting at all

As with most quickies, I don't feel the need to write a plot summary because the book description pretty much says it all.

What I need to share with you is *how accurate this book cover is*. Yes, I know that all EC's Quickies from the **White Hot Holidays** series have the same cover, but this one has a story that actually fits the cover! Unfortunately, that killed the mood for me. The moment Trey started striking poses under the Christmas tree for Kelly's camera, I couldn't help laughing hysterically. Come on, have a look at the book cover! So *not* sexy! LOL

Serena says

I enjoyed the characters, and their world and hope I get the chance to read the story again and/or to read more within the series.

My Rating System:

* couldn't finish, ** wouldn't recommend, *** would recommend, **** would read again, ***** have read again.

The story i read was different from the synopsis.

It's about Kelly, who just broke up with her fiance, John, whom she caught cheating. She decided to spend her lonely Christmas with Mr. X, an early gift from her sister.

Suddenly emerging at her doorstep was Trey, her childhood crush. She was actually set up by her witch aunt and Trey's grandma. They rekindled their passion for each other..u can guess what happens from here on.

Christmas smut with a cowboy hat and polaroids.
