En los brazos del jefe Elizabeth Harbison

¿Cómo iba a trabajar con él si en lo único que pensaba era en volver a bailar aquella romántica canción entre sus brazos?

Meredith Waters no sabía lo que la esperaba en su nuevo trabajo. Lo único que sabía era que Evan Hanson se había marchado de la ciudad hacía ya doce años sin siquiera despedirse de ella. Ahora volvían a encontrarse como jefe y empleada y Meredith de pronto tenía la sensación de que los años no habían pasado. Pero se había prometido a sí misma no volver a enamorarse nunca más... y menos de él. Lo que no sabía era que pronto volvería a creer en las segundas oportunidades...

Kay says

3 Stars! ~ Evan has returned to Chicago after 12 years away, only because the family has demanded his presence for the reading of his father's will. Much to everyone's shock, except for his, Evan's name is not mentioned at all. His stepmother stops him from leaving and pleads with him to help her and the family get Hanson Media back on track. Evan having nothing to lose, agrees. Evan left 12 years before because he didn't want any part in his father's manipulations, esp. when they involved the girl he loved and her family. Leaving had seemed the only way to not betray any of them. Meredith has always wondered why Evan disappeared, and now taking the job in the PR Dept. that Helen has recruited her for, puts her in daily contact with Evan. Their reunion is jeopardized when Evan discovers Meredith has deceptions of her own.

This was an okay read. The best parts of this book were more about Hanson Media, Helen and the Meredith duplicity. I liked Evan's character very much, but he lacked development. Meredith's character was kind of flat. I did enjoy this read, though mostly because of it's place in the series.

Dewi says

boring.
