Fruit: The Art of Pastry

Cedric Grolet , Alain Ducasse (Foreword)

Fruit: The Art of Pastry Cedric Grolet , Alain Ducasse (Foreword)

Cédric Grolet is simply the most talented pastry chef of his generation—he was named World’s Best Pastry Chef in 2018. *Food & Wine* called his work “the apotheosis of confectionary creation.” He fashions trompe l’oeil pieces that appear to be the most perfect, sparkling fruit but are, once cut, revealed to be exquisite pastries with surprising fillings. They are absolutely unforgettable, both to look at and, of course, to eat.

This lush cookbook presents Grolet’s fruit-based haute-couture pastries like works of art. The chef explains his techniques and his search for authentic tastes and offers a peek into his boundless imagination—he begins the creation of each dessert by drawing. With 130 recipes featuring 45 fruits—citrus, berries, wild and exotic fruits, and even nuts—every pastry lover will want *Fruit*, for inspiration and to admire the edible sculptures made by this award-winning star of French pastry making.
