My own fault - I thought baby in connection with Daddy - wrong. Just not a fan of "Daddy" in the bedroom. This was a quick read that wasn't horrible, just not my favorite.

Sue says

Jenna has lived within the tight ring of the Cosa Nostra and all this involves

Alex who is her father's right-hand man has been sent to retrieve her and then is to return back home, however he has been in love with his charge for years and unbeknown to him she has also felt the same but the contract she had been tied to had prevented her doing anything about this.

The sea, the sand and her miniscule clothing causes his dominant, possessive gene to show and for the first time these two secretly in love people have finally acted on their impulses but what will her father do when he finds out she's lost her v card to the hired muscle.

You'll have to wait and see.....

Not a brain bender, but a hot, sexy and steamy read that passed the time nicely. ?

Lots of sex

There is lots of sex and a tad of story. It was interesting to see where she had gone when Nico let her run away, but there again wasn't much story.

Aline Leal says

I had so much fun reading this. But the problem with short stories is, well, they're always seem too short, at least for me. I wanted more details (and more drama haha), because I enjoyed Renee's characters so much, I want to have them for as long as possible. Everything developed so fast I thought I was missing some important parts, maybe because they were in love already, I don't know. Very good either way.

Must read series ,mafia

Loved this series and these books. I can't get enough. I couldn't put them down read until I fell asleep, then mad at self for going to sleep. Jenna was suppose to have an arranged marriage with another family to make their alliances stronger. She is in love with her bodyguard and has been for many years. He comes after when she disappears after the arranged marriage is cancelled. Will she tell him how she feels? Does he feel the same? Loved this author now on to read list.

Kathy Heare Watts says

EVENTUALLY, I'LL BRING YOU TO HEEL

Jenna is overseas away from her father after a longtime arranged marriage was finally called off. It wasn't a marriage she wanted, and Nico Tacone is bankrolling her escape. But now Don Giuseppe, her father, has sent his soldier, Alex to bring her back home.

Jenna has secretly fantasized about Alex, but she knew nothing could happen with this farce of a marriage contract. When Alex finds Jenna, she has been drinking in a club and dancing. In her drunken state, she gets a bit amorous with him. Alex knows that to cross the line with Don G's daughter is a death wish, but the desire between them is mutual. When she calls him Daddy and acquiesces to his demands and desires, he is a goner. But what happens when Don G calls and insist they get home and that Alex had better not touch his daughter or else?

Alex truly listens to Jeanna, her hopes and dreams, and what she wants to do with her fashion and marketing education. She has a solid plan and one he believes in. But now that they are returning to Chicago, what will become of her dream and of them?

"I'm definitely going to take care of her. She's my girl. The only person in the world who really knows me. Who I can be myself with."

Amazing, intriguing story and Renee Rose always adds humanity to her tales. Jenna's father had promised her to another man, Nico in another crime family since she was a child. Nico wishes to marry another and has helped Jenna run away so he can marry the woman, he wants. Her father asks his right hand man, Alex to bring her home. They have had feelings for each other for many years but Alex knew, he couldn't have her. Well, the chemistry is intense and the sparks fly!!! I admire that even though, this is a Mafia family, it is still family and we have commitments and they want to fulfill them. This is a beautiful love story, filled with passion between two people who have loved each other from afar for much too long. Sooooo, the question is! Does she get away? Does she find happiness? Guess, you'll need to read the story :-)

Rhonda says

I was thrilled that Alex and Jenna get their story. Yes, it's short but it's packed full of emotions, hot sex and characters I just fell in love with. Alex is determined to make Jenna his, no matter that her father is the Don! Just about anything Renee Rose writes is going to be good. Pick this up and enjoy a hot and quick read!!!

A 5 ?? Bad Boy Mafia Romance

Renee Rose does it again in the 4th book of the Bad Boy Mafia Romance Series, a great, Short but hot, sexy read that keep you turning those pages! A Superb after work, relaxing read with a glass of wine to get you in the groove! This was Jenna and Alex's story, well written and great storyline. Will Jenna still be off limits to

Alex as he is her father's loyal soldier entrusted by Don Giuseppe to bring her home? Will Alex claim her now that she is free? Or is Alex the player Jenna thinks he is or just a job for her father?

A for sure highly recommended must read.

***Dee's Reading Time Matters says**

Ok, Mafia Daddy was Alex and Jenna's story and boy was it hot! I am so glad that Alex and Jenna got their HEA without Jenna's father separating them for good. This was the first mafia book I've read where the mother's words became law... and I enjoyed that immensely!

Although, I didn't read this series in order, I recommend readers do!

Can't wait on the Alessia Tacone's story!

5 hot stars! *****

Not a fan of calling anyone "daddy" sexually!

It actually gives me the hebbie jebbies! I tried replacing every "daddy" with baby, but it still was there. This is a quick hot snippet in the Vegas Underground series. Alex and Jenna were an interesting couple in a quick hot steamy read. I swear these Italian men love to give spankings! 2.5 stars bc of length and to beat a dead horse... "Daddy"
