## No Way Out 2: Return Of A Savage Latoya Nicole

Tank is home and after facing off with Na Na she has to find a way to survive. Depleting most of her money she is desperate and has no choice, but to be dragged back into the life she once wanted to leave behind. After doing the unthinkable Tank is now on the other end of deceit and lies. While trying not to get caught up in her own mess, this time around she has bigger problems. With the police on her trail, someone trying to kill her, dealing with her own guilt, all while trying to keep her relationship from going under. All these obstacles may prove to be too much for Tank. Her mistakes may be the reason for her and the ones around her downfall. Will her savage return help her land on top victorious, or does karma show up and everything as Tank knows it, come crumbling down.

# **From Reader Review No Way Out 2: Return Of A Savage for online ebook**

**Debbie Bolden says**

**I'm waiting for the MOVIE!**

Latoya Nicole did it again! Book #2 is just as good as the first one! Nail biting, edge of your seat type of book. I'm waiting for the MOVIE!!

---

**Shirley Mcqueen says**

**Good read**

This was a great series part 1 was very good I was glad Tank got out of jail but she shouldn't have became friends with Na Na it was ok to forgive her in part 2 felt so sorry tht Smalls lost his daughter, Tank & Suave lost their bby due to NaNa jealousy but n the end NaNa got what she deserved I'm so glad tht Tank & Suave got married she deserved to be happy after all she's been though

---

**Monica Polk says**

**So many twists and turns!!!**

Read this in one day. There were so many things happening, but you could follow them all. Nice work for a new author.

---

**Shawn Hawkins says**

**Excellent**

I gave this book 5 stars because it was that good. I'm happy that Tank finally found true love. Her and Suave were perfect together. This book flowed, I laughed a lot and I also had a few sad moments. Excellent ending

---

**Sandra (Book Loves) Atueyi says**

**Damn**

No Way Out 2: Return of A Savage by Latoya Nicole Williams is a good and excellent read. I have to take my time to reading this book because I don't want to end and I want to know who's the pilots and karma in this book. This author did excellent job. The storyline is on point. The characters are crazy and dramatic but the characters are jealous and evil.

Tank needs to be careful who's her real friends or her fake friends. Tank finds a happiness with her Prince Charming (Savage). Once again, Na Na is something else. She can't be trusted with. My heart goes to Smalls and his daughter's Ariel. Everyone finds his or her happiness and leave the past behind.

I'm looking forward to reading Gangstas and Paradise. I'm looking forward to reading more books from this authors.

Great read:  
Sandra

### **Courtney Lawson says**

#### **Job well done**

This was a great series and I loved it. Tank could not win for losing and people is just grimy I can't gibe to much of the story away but trust me you don't want to miss this series.

---

### **Desirer Dollar says**

Nana was so shady, and I'm so happy that the crew caught up to her. I can't believe that she had the nerves to think that someone would have sympathy for her, after all that she had done to Tank. Everyone seen the jealousy and distrust, except Tank, because she had such a good heart. She was so forgiving, and it almost cost her, her life. She had her demons, but she was far more good, than bad, and her meeting Suave was definitely her blessing, but she truly deserved it. She had me scared for a minute, but she pulled through.

I thought after Suave fought out who was truly behind the robbery, he would flip out, and he almost did, but love conquered all. I felt so bad for Smalls, and his baby girl Ariel was the love of his life, and his reason for living. He almost lost it when she was murdered, but with his support system, he came through. I liked Duty, and I wished that he and Shay made it through. I was very disappointed that not only did Shay betray him, but she also wasn't able to give Duty a proper apology. Authoress Latoya Nicole played with my emotions with this series, but it was soooooooooo goood.

---

### **Felicia Burnette says**

#### **Fire!**

This book was so good, I couldn't put it down. I was shocked that Chris wasn't Tanks rider. But the ultimate shock was Na Na! I wanted to go through the book myself. Nothing good comes from jealousy. Suave lost so much! Tanks grandmother was always speaking some good stuff. What goes around did definitely come

back around! 5?? banger!

---

### **Kitani says**

Omg I hope part 3 isn't too far behind. I swear you have to watch even those that seem the closest to you. Na Na took things too far this go around and Tank should've listened and never forgiven her. After all she was in the wrong from the jump and should've been real about everything. Damn Tank! I'm glad she got another chance but she should've found a better way to get money. That one mistake could've been avoided and she was still too trusting. Nik couldn't catch a break. Smalls went about certain things the wrong way but I'm glad he realized through it all Nik was down for him. Maybe he acted the way he did because he was afraid he'd fall too deep. I wish things were different for Duty and I hate Shay had to stoop to the level she did because of Gerry! Bay Bay should've known better but it was a lesson learned. I can't forget about Suave! I loved his character and expected him to tear into Tank something serious once the truth was revealed. Though he almost made a crucial decision I'm glad he realized the love he had for Tank outweighed the mistakes she made and lies she tried to cover. Gangsta is crazy for sure and I feel sorry for the person that will be on that end of his wrath.

#### **Banger**

Excellent job! I loved this book! It was so sad though but karma hit some of them in the worst way! I legit cried reading this book!

---

### **MZURAQT says**

Tank is back and she is back with rage. Determined to not be in the same position twice she plots to do a robbery . Problem is it will leave her with more trouble than her heart can handle. Will she finally get what her her desires?

Whoooooooooooooooooooooooooooo. This book was crazy ,it played out just like a movie. I was on pinned and needles trying to see what would happen. These characters really pulled at my heart. I'm glad I decided to read this series. Great job.

---

### **Ms. T. Nicole says**

#### **Hurry with part 3**

Just when you thought it was safe to breathe, Lucifer made that call. This was another banger and I can't get enough of Latoya Nicole pen. I lo ed everything about this story and enjoyed seeing it wrapped in a beautiful bow. The drama, the suspense and the love had me on the edge of my seat. Don't put that pen down, give me more.

---

## **Simone Kent says**

♥?♥

I love the relationship between Tank and Suave. Even though she kept that secret, their love was so much stronger. I couldn't stand Nana it's because she knew she really loved Trump but wanted to act like she didn't and couldn't be a woman about her feelings. Hopefully Smalls stop being a asshole and Shay and Bay Bay get their happily ever after!!! Can't wait to read about Gangsta and Paradise!!

---

## **Authoress Nikqua says**

**Real life fire!!!?????**

Latoya Nicole brought the heat when she wrote this book!!! The whole series was everything, but this part 2 was off the charts. Na Na got exactly what she deserved. I didn't feel sorry for her. Suave was the man and I can't wait to see more of him. Im glad Tank got her happily ever after with a man who loves and cherish her. I'm happy for Nik as well, even though, I wanted to kill Smalls at first!!! I came to love his hungry behind. Lol!! Poor Duty and Smalls baby girl... This book was everything. I recommend it to anyone. Great Job, LaToya Nicole

## **Kat says**

### **No Way Out 2**

This continued exactly where part 1 ended. This was one of the books that I didn't want to continue to read because I wasn't sure of the outcome, but at the same time I had to keep reading. With everything that Tank has been through, you wouldn't expect her to have to deal with even more. There was plenty of lies, deceit, and gun fire in this one. Tank meets Suave who is everything that she is looking for, but she has a secret that may ruin everything for her. You are introduced to new characters and I love how the story flows. The ending was everything and more. Another great book Latoya Nicole.
