Quin Perin

Obsessed #1 Quin Perin

Quin Perin presents “Obsessed” - A best-selling Gay Erotic Romance

All Meik cares about is *lust*, not love.

An eager boy toy, that's what he's looking for. Someone who worships the ground he walks on. The very second he lays eyes on the enigmatic, street musician Sebastian, he believes he found his new playmate. Obsessed with the young man, Meik introduces him to a world full of sins and desire until the man's presence threatens to reveal dark memories he had locked away tightly.

*This is the first book of the Gay Erotic Romance “Obsessed” and features explicit adult m/m content. The book ends on a cliffhanger but can be read as a standalone. This part **does not** entail any romantic elements.*

# From Reader Review Obsessed #1 for online ebook

## Ele says

I was hoping for something twisted and dirty like Cordelia Kingsbridge's Boston Verse (yes I realize I set the bar too high), but this felt so incredibly amateurish. Not for me.

---

## Chris C - A Midlife Wife says

Damn! Hella hot m/m action but too darn short! Part of a series

---

## Lelyana says

I like authors who's honest and open to their readers. These two authors are one of them.  
In the beginning of this book, they explained that this is not a romance, this is an erotica, sexual adventure of Sebastian and Meik. so, don't expect any romantic moments between the two MCs.  
This is a well written erotica, and if you're open up with their adventure, Obsessed is quite enjoyable.  
I would like to read their next story in the future, better continue with this series I hope.

*\* ARC is given by the author for an honest and fair review.\**

---

## Truuss says

Pretty delicious depiction. I could see all the amazing details of the simultaneously moving bodies. It was quite delightful dirty and filthy.

Maik found Sebastian on the streets and can't get him out of his mind.

Maik got everything... and now he wants the beautiful fragile Sebastian... for his own pleasure.

He wants to color that pale skin... First... he has to find him.

Loved this shortie very much. The images it brought to life were strong and clear.

#2 here I cum

## Brown Eyed Girl ~Suzanne~ says

*\*\*ARC received in exchange for a review\*\**

This was a good start to what I hope will become a more developed story. I'm not into the storyline with the guy who sleeps with everything and everyone and I wasn't crazy about Meik getting a blowjob from one

person and then another a short time later. That grossed me out. I don't know where Meik's obsession is going but I hope to learn more about him and what drives him. Right now he is just a guy who wants sex and even if there's no romance in the story I still want to know more about him.

We don't find out much about Sebastian and I was hoping to get his POV. He's a mystery right now. I am intrigued and will read the next book to find out where this story goes.

Update on 7-15-18

I am still thinking of this story a few days later so that means I am way more intrigued then I thought I was! I hope the next book goes more in depth and revolves around what is building between Meik and Sebastian.

*A Joyfully Jay review.*

**2.5 stars**

If a book is billed as erotica, I gotta say I have certain expectations and this book didn't live up to those expectations. This book is not a romance; it's mentioned in the blurb, and that's fine with me. The story, however, is told from Meik's point of view and I felt no connection to Meik. He's wealthy and he has men and women falling all over themselves for him, but at this stage of the billionaire hero trope in romance, I need something other than that. We hear about Meik's business and clients, but it's never disclosed what exactly he does and he wasn't a well-developed character.

**Read Michelle's review in its entirety here.**

---

## **Ed Davis says**

4 and 1/2 Stars for how hot this story is. Only read if you like graphic m/m sex.

---

## **Bibliophile says**

Wasn't bad at all--it was just \*pure\* smut and I need a little more romance and more fleshed-out characters in my books. Another review said that a romance may emerge, so I'll keep with the series and read book #2 as well.

---

## **Judith says**

3.5

*"Naughty boys get punished,"*

**Well this is pretty filthy** and I don't know what it says about me but I liked it....A LOT!

I'm not sure if it's meant to be taken too seriously? Basically it is what it is....erotica.

Meik is a controlling asshole and I loved him.He's not really bothered about how he gets his kicks but after a dirty encounter in an alley with Sebastian he finds himself getting just a bit *obsessed*....

Seems one time wasn't enough...

There's,

-dirty talk,

-a bit of spanking,

-bossy bedroom antics,

-a bit of a D/s thing going on,

-no romance,although I've got a feeling that might develop.

Free on Amazon now,I think,so if you fancy a hot quickie go grab it.

## **Steve says**

Not a lot of story plot, but hot sex scenes. Read only if you enjoy graphic m/m sex without romance.

---

## **JustJen "Miss Conduct" says**

**3.5 star** review by The Blogger Girls.

This is the perfect afternoon quickie kind of story. It delivers pretty much exactly what the authors warn about – it is not a romance, it's a hot erotica type, aggressive gay sexfest. As such, and as the title indicates, Meik is the one obsessed.

The story is definitely over the top with Meik hiring secretaries and assistants based on their ability to get on their knees for him. Unfortunately, other than being told what a success he is, we don't really learn much about what he does, and the other details about him are rather lacking leaving a bit of a disconnect with his character. On the other hand, there is Sebastian, the street musician with whom Meik becomes obsessed. Other than believing he lives on the streets and is able to handle Meik and his domineering ways, we don't really get to know him very well either.

However, as this is the first installment, I am hopeful we will get a little more in the way of character development in the future installments. This was a really fast read, and by the end, I was on the edge of my seat wanting to know more about each of them and how they would end up. So, if you are looking for something on the not too involved side, with hot and hard sex, be sure to give this freebie a go, and definitely be ready to jump into the next installment, like I was.

Dnf@ 31%

I don't need fictional characters to be in a relationship to enjoy erotica, but I do need to like a main protagonist in order to begin to care about their story. Even those who act as arseholes to begin with. In this book the MC was so disagreeable I wished for him to have a fatal accident of some sort by the time chapter two rolled around. This story was obviously not for me.

3 Stars

Book Review

Release Date-14/7/18

Meik & Sebastian (Obsessed #1) does what It says on the tin.

It was a super dirty hot bite-sized portion of erotica.

One that I needed a good scrub to wash away the filth after reading.

This was Decadent and Dirty with capital D's.

This is exactly what it promises, not a romance but a step through the looking glass into Meik's hedonistic lifestyle, where he unapologetically engages a young musician he observes busking into everything that is sensual, filthy and hot.

introducing and initiating the young Sebastian into a whirlpool of pleasure and indulgence.

This was a short read the first part of a novella series and though short was packed in more ways than one.

Meik himself is a bit of an ass but no matter the lovely Sebastian more than makes up for the formers antics.

Will be interesting to see where this one goes.

This is one rude, explicit, indulgence and is currently free on Amazon if you want to give it a whirl.

All opinions are entirely my own.

## Trio says

So the things I liked about this book, I *really* liked. Sebastian's character is fantastic and I will definitely read the next one, just to find out what he does next.

The sex was pretty good - the big selling point by these authors is the fact that the stories are erotica, not romances, and should be enjoyed for that sake alone. They can say that, but I can't believe some feelings aren't going to come into play for Meik and Sebastian - Sebastian's character is too sweet and Meik has definitely got some karma that's going to be catching up with him.

There were a couple awesome surprises in Obsessed #1 that worked *really well* for me. I'm not giving them away here!

What keeps me from giving this one four stars is the whole pronoun problem. There were so many 'he' 'his' 'him's in the beginning of the story it got distracting for me, not to mention a bit confusing. Who's what is going where? Then once Sebastian gets into the picture, the authors start to vary it up with alternatives like 'the blond' and 'the older man' but there's still a whole lot of 'he' 'his' and 'him's.

Once the authors figure it all out I think this series has great potential.

## ✖❖Onfleck❖✖ says

***“You’re about as charming as a headache.”*** (This summarizes the whole book for me!)

First and foremost, what person doesn't know their secretary's name?THE HELL?!???Secondly, Meik is the biggest A-hole ever??? , really dumb for the "successful businessman" he is and has the sexual drive of an incubus!

#NotForMe??
