## One of the Guys Delaney Diamond

He makes her feel like a woman...

Mechanic Ronnie Taylor spends most of her time with men. As such, she's always been tough, but Diego Molina makes her feel the opposite of tough. The big Cuban is brash, bold, and gets under her skin. She finally has to admit the reason he annoys her isn't because she dislikes him. It's because she likes him a little too much.

When Diego turns the tables on Ronnie, he uncovers the sensual woman hiding underneath. But past regrets threaten to derail their new relationship. Before they can get to forever, they must trust that they've found what they've been looking for all along.

## **From Reader Review One of the Guys for online ebook**

### **Camille Adams says**

Heh...popcorn. Not bad, not substantial.

No development, rushed pacing, two dimensional characters. Notwithstanding, the story was okay. I especially liked that Veronica had a low hairstyle. I recently cut my long locs and am now wearing a teeny, weeny 'fro so it's good seeing this option in characters. Also, Diego is physically yummy. He does, however, lack any of the vitality his cousin, Tomas, had in his own book.

This book feels churned out...blah And Diamond needs to work on her verb tenses.

---

### **Shawnette says**

CUTE...FUNNY...and SEXY...I enjoyed the verbal sparring and INTENSE sexual tension between Diego and Veronica...and Ronnie's father, Ezekiel is quite the character...it was nice catching up w/rest of cast from the Love Unexpected series...I hope this isn't the last book...I would love to see some of the other cast in previous reads of this series find their HEA too!

---

### **Deloris says**

APB Perspective Review :

Enjoyed this book I wanted more !

---

### **Monica says**

this was a fun read!

Ronnie and Diego were a fun couple.

I wished the book was longer and provided a epilogue.

---

### **Miriam says**

Very well written. Awesome book!

**KBeautiful1 says**

The title of this series really is Love Unexpected. You just never know what author Delaney Diamond is going to pull out of her hat of Love being found by the unlikeliest people.

Veronica "Ronnie" Taylor is a business owner of an automotive shop, she was raised by her dad Ezekial who is a widower. Ronnie's mom died when she was two years old, so it has always been her and her dad. Her childhood was happy, she had her male cousins to hang out with, preferred sports instead of fashion and cars instead of make-up. Ronnie can talk smack with the best of them, pretty much out play a man in basketball and pool. So yeah Ronnie was definitely considered one of the guys but what people didn't know was the heartbreak she endured and her quest to keep men at a safe distance, specifically Diego Molina.

Diego Molina is the the cousin of Tomas Molina (his story is Book 3 "The Wrong Man"). Tomas rescued Diego who at one time was in a very dark place in his life. Tomas convinced Diego to move to Atlanta for a fresh start. Diego not only took his cousin up on the offer but invested in his own business, a towing company. Diego's business is right next door to Ronnie, for Diego hookups has been his thing, he is not interested in a long-term relationship, he's been there and done that with devastating consequences to boot. His next door business neighbor is the gorgeous and sometimes insufferable Ronnie Taylor and he has been trying to get through to her for a year now with nothing happening in sight. That is till Diego sees Ronnie at a sports bar and challenges her to a game of pool, he doesn't want her money, he only wants a kiss.

Ronnie is incredibly leery of Diego, yes she lusts after him secretly in her mind of course and in her dreams but men like Diego didn't go for women like her. She liked her hair natural and cut closer to her scalp, she didn't wear clothes with all of her assets hanging out on display and her idea of a good time is not engaging in frou-frou but sports, her business and her dad. So what could Diego possibly want with her and why does he want to kiss her instead of taking the prize money he easily won by beating her at pool? Ahhhh because those Cuban Molina men always have more up their sleeves than meets the eye LOL!!!!

A fantastic story of love found between two people who never thought to love again. I also enjoyed the story of Ronnie's dad who had been a widower for over twenty years finding love himself again.

I know the author stated in the back of the book that the next story is coming and I will look forward to purchasing it.

Well Until My Next Review...Ciao Bellas!

**Deena says**

I was looking for something short, light and sexy to read and this fit the ticket. I enjoyed Ronnie and Diego,

and was super- happy to catch up with some of the other couples in this series. Good story, but it lacked a little of Delaney Diamond's usual style, but having said that, Ms. Diamond is always a must-read, so if you haven't read this one, please do yourself a favor and check it out.

### **Sherry Molock says**

#### **Great But Too Short**

I always live DD books I just wish they were longer!!! This is a short sweet story about Ronnie, a young woman who owns an auto mechanic store. She is a great heroine because she is so nontraditional, from her career to her looks. Diego is the cousin/friend of characters from previous books. He runs the towing company next to Ronnie and he's been fluting with her for a year but she ignores him because he's a player.

They finally come together when he kisses her when she loses a bet to him and there connection initially is primarily physical but intense. They eventually learn to trust each other and fall in love.

As always, loved the characters, plot was a little thin but i think that's because the book is so short. Look forward to reading more by thus author.

---

### **Connie says**

I love this sweet and spicy story! I love the way that the characters DON'T jump into bed the minute they meet. Diego had to work for Veronica's affection and actually pursue her in a sexy but respectful way. Diego and Veronica, both, have huge trust issues. When their lying, deceitful exes show up, will it bring them closer together or tear them apart?

---

### **Tina says**

3.5 stars.

Cute. Ronnie was a little too prickly for no real reason in the beginning but it didn't last so that is good. But Diego is sexy as hell.

Very quick read and even though I do like them longer, this author does better than some with the shorter length.

Tomas and Talia from The Wrong Man are my favorites from this series. Tomas is hot buttered butter!

---

### **Selina Durio says**

As usual Ms. Diamond has written a fantastic read. Having the main female character, Veronica, be in a non-

traditional field was a wonderful plot twist. Having the lead male, Diego, be the one with the major emotional angst added such a dimension to this read. I read this book in one sitting and even though Anika was not a major character I can't wait to see how the author handles her unexpected love.

---

### **Anino says**

Simply put, this was a satisfying read, but the ending left something to be desired.

In my opinion, the lack of an epilogue (short or long), affected the quality of this book.

However, I must say that despite this craptastic move by the author, that I enjoyed reading this quirky tale of a square peg Chica, who gets wrapped up in a latin fiya type relationship with a gorgeous Cuban adonis.

I'm so glad that one of my fellow "Fans of Interracial Romance" group members, was cool enough to loan it to me via Kindle.

Giving this one: 3.5 stars.

---

### **Shirley says**

**Cute!**

Cute, Ronnie and Diego were too cute. Very little drama. I liked the book, but I think Tomas and Talia are my favorite!

---

### **Phillip W says**

#### **The Best of the Series**

This one I thoroughly enjoyed. I really enjoyed the plot and how the storyline evolved. It was as one of the more believable storylines I've read in romance novels. I didn't find myself having to remember it was just a part of the "standard romance formula". I could relate to it all. Good job Delaney!
