## Pretty Lips That Thugs Love 2 Twyla T.

Award-winning and best-selling urban fiction author Twyla T. has revved up the chaos in her second installment of Pretty Lips That Thugs Love series. Twyla T. intensely catapults the audience into the lives of Ashanti and Kentay as love, drama, and secrets unfold in droves.

Kentay Mill adamantly claims Ashanti McNeal as his woman in more ways than one. However, his philandering ways always find its way to Ashanti's front door—literally when his baby is dropped off at the front door. Kentay has been the man in Ashanti's life for years, but his constant disrespect and unfaithfulness are pushing her into the arms of another man. And, the kicker is that it's just not any man, but his very own blood. Regardless of the situation, Kentay vows to keep Ashanti as his by any means necessary. He hates to lose and declares that he will win no matter what. Not trying to entertain the thought, he decides to take matters into his own hands and takes desperate measures to ensure that she will always be his.

Ashanti is not feeling the love for Kentay that she used to feel. She knows that she is a good woman and has grown tired of his ill treatment of her. When she wasn't looking, Ashanti finds love in an unexpected place when it literally bumps into her by the name of Ahmad Jones. Their budding friendship develops into something more that neither of them could deny any longer. After watching Ahmad and his team win the NCAA Championship for his college Mississippi State University, Ahmad and Ashanti celebrate with a hot and passionate kiss on live TV that the world sees and she knows that there is no turning back.

Ahmad and Ashanti enter new relationship territory and can't wait to explore their new found love. They are ready to deal and to tackle the fallout with Kentay in order to start their lives together, but they know it won't be easy. Just as things are looking up for the new couple, tragedy strikes that sends all of their lives in a tumultuous domino. Secrets will no longer remain secrets. No one will go unscathed as lives are turned upside and inside out.

Lives will be changed. Relationships will be tried and tested. Pain is inevitable. Love still rules in the end. As darkness descends over the lives of Ashanti, Kentay, and Ahmad, will any of them find light at the end of the tunnel? Whose love will endure the torrent of disasters? Discover who will survive all of the hazy drama that is unrelenting and unlimited in the second installment of this urban fiction love story in Pretty Lips That Thugs Love 2

#### **From pain to joy**

As always Twyla you did a great job. I really enjoyed this book and I love the way you make a person feel like they can relate to and feel the characters love, hate sorrow and pain. I can't wait to see what you got for us in part 3 as always keep up the great work and continue to do your thing.

#### **Pretty Lips That Thugs Love 2**

Twyla always so of the mind blowing work. I so on edge to see what part 3 would be on. Ashanti girl u have too men fighting for ur love. Kentay don't deserve any of ur love with all his wrong doing. Ahmad is deserving but with this knew news is crazy omg. Twyla always have u on edge with the her petty self. Kya not a true friend had hope they could become friends again no can do. Will not give up any more information go go go and copy this series incredible. Cole Hart Team knocking them books out the park.

#### **Omg**

Good read. The saga continues. Kentay is just to disrespectful for my liking. He deserved those asswhippings he got. Ashanti deserves some happiness in her life. Kya is just a slut . Hopefully everyone gets what they deserve in the next installment.

### **Angie Jones says**

#### **Must read**

And she does it again. You never disappoint although I wanted to jump in the pages and fight you at the end. I can't believe you did that to my baby. I hope he pulls through. Can't wait for part 3

#### **Must Read**

Twyla most definitely kept me interested in the drama that book two brought. Some people never change. I still can't stand Kentay. He was so foul! He did Shanti dirty from the beginning and kept playing some sick game. His actions always made me wonder if he really loved her. Although he said he did everyone could tell that he wasn't in love with her. Shanti put up with a lot of things, but when she was fed up she definitely made it known! She ended up having to make some tough decisions later down the line and I was glad she made the right ones. I loved Ahmad. That man was everything and the love he and Ashanti shared was undeniable. It was crazy how everything played out, but you honestly can't help who you love. Kya is a fool and she better stop playing into what others say. She is going to set herself up for failure if she continues to let a man mess with her head. It was obvious she still hasn't learned anything from the past. I would like to know more about this Big Al character in book 3. It something very mysterious about him. I was shocked about Slick finding him a woman to deal with, but confused about how things are playing out for him. Someone has it out for them and I can't wait to find out who and why. Looking forward to the continued drama in book 3.

#### **Noooo!**

Nooo! This can't be happening. I can't believe that ending. Really? So you just going to leave me hanging like that. I knew that something bad was going to happen, but I wasn't expecting that. I feel so bad for Ashanti. First Kentay treats her like crap, and when she finally finds a little bit of happiness, BOOM! this happens. I am totally surprised at Keya, but then again, I'm really not. I need part 3 asap. I need to know who Big Al is and his connection in everything that is going on.

### **Shawn Hawkins says**

#### **WOW**

Girl you have done it again. First let me say I can't stand Tay and Kya is a low slut for messing with him the way she is. I'm glad that Ashanti and Ahmad worked things out and I was cheering Ahmad on when he went to visit Tay. I just hope that all ends well for Ashanti and Ahmad...Oh and what's going on with Slick? Can't wait for part 3

### **BookPlugMegz says**

#### **Dang...**

How the hell Kentay get so lucky? I loved this book, I believe Ashanti and Ahmad are made for one another. I still don't understand what is Kya and Ashanti beef with each other. Slick is my dude and whatever that situation is he's in right now, that he comes out in top. Good job Ms Twyla.

---

### **Alisha Benjamin says**

#### **Omg**

Page turner again and that was one hell of a cliffhanger I will be reading the next part I need to know who did that mess.

---

### **Shanta Gray says**

#### **Lawd have mercy!**

Kentay is such a pussy! Hate is a strong word but his antics get worse with each installment. Kya is wrong on so many levels and she knows it. That's why Slick ended up with Amanda. But who in the hell is the masked man? I love Ashanti's character. She's a better woman than me cause Kendra definitely would have

stayed in foster care. Now I know the ending can't really be the end. Ahmad has already showed us he has heart so we're just going to pray for a breakthrough. Kudos Twyla for a book that held my attention from the start.

### **Rena says**

#### **Chaotic delightful**

This book is chaotic delightful. Life turned upside down and inside out for Ashanti, Ahmad, Kentay, and even the supporting characters. This book continued where one left off and then stampeded into its own high drama. The characters were well developed, the story were well written, and the twists were sizzling. All together, this book received a 5 star rating because it excelled on many levels that I aspire to as an avid reader. I tip my hat to the author. I look forward to the finale.
