Another very enjoyable story by Louise Allen, definitely one of my favourite Mills & Boon writers now. The story is romantic, very sexy and often hilarious. Sometimes all three at once! Well written as always with a light touch and witty style. Just great fun!

On Nook but not waiting for next trip as i am rather fond of the Ravenhursts.

This is about Bel, a widow, who was very relieved not to be married but not sure what to do with herself after her year of mourning. And Ashe who has resigned from the Horseguards after returning from Waterloo.

As usual the Ravenhurst cousins are either in the book or mentioned.

The beginning of this novel was quite a surprise - a drunken Lord Dereham stumbling into his old house and passing out drunk on top of Belinda was unexpected. Unfortunately, the book takes a similar turn to some others on the market. For example, her raising money to buy an inn to help the returning soldiers transition back into society is very reminiscent of Slightly Married by Mary Balogh. It was a quick read and was worth the time.

Éowyn says

This is the second book in Allen's series about the Ravenshurst cousins and I loved it! It's well written and funny and the two central characters are both endearing.

I loved the polar bear and the incident with the bathing machines - very enjoyable historical fiction with a very sexy romance!

Harlequin Historical says

I especially enjoyed this book.

I always enjoy a book which has humor in it. Outrageous definitely did not disappoint me. Lady Bel and Lord Ashe were having a rollicking good time and then it hit me. The story was becoming one of the most enduringly romantic tales I have read in a while. Louise Allen still had the humoruos tone but she let the characters love grow and grab the reader. I just couldn't stop reading until I found out how Ashe finally caught his woman, Lady Felsham.

my first by this author, and I will read more! it's a fast, flirty, fun historical that is very well written.

Tasneem says

I actually cried. Bel and Ashe were so wonderful together. He loved her so much and the way he tried to win her was marvellous. I adored them, their relationship and their passion enormously. Wonderfully written.
