The People vs Muhammad - Psychological Analysis J.K. Sheindlin

Is Islam a "religion of peace"? Was Muhammad the true and final prophet of God? Is the Quran the fulfilment of the Bible, and legitimately continuing the traditions of the Judeo-Christian scriptures?

Perhaps one of the most audacious, shocking, unthinkable and highly controversial ideas to ever be conceived, The People vs Muhammad places the founding father of Islam on trial for crimes against humanity, and to challenge his self-proclaimed authority. With the growing threat of home-grown Muslim jihadist terrorist attacks and the ominous cataclysm of a global holy war, there's no doubt Islam has become a burdensome issue which has our own western governments perplexed.

This book series intends to investigate the true ideology of Islam, to ascertain with reason and logic the legitimacy of Muhammad's claim and core teachings of his cult. Throughout this series, author J.K Sheindlin carefully analyses the Quran and the Islamic texts legalistically to expose the shocking truth pertaining to Muhammad's advocacy for:

Pedophilia, honor killings, sex slavery, prostitution, racism, extortion, murder, psychological indoctrination, intellectual terrorism, censorship, grand larceny, racketeering, domestic violence, gender inequality, and much more!

In this powerful series, the first installment Psychological analysis delves deep into Muhammad's past and uncovers disturbing facts which undoubtedly prove to be the origins of his multiple psychopathological disorders. Using entirely the Islamic sources in reference to contemporary psychiatric-medical archives, J.K Sheindlin details Muhammad's extensive catalogue of mental illnesses which include:

Psychopathy, Gynophobia, Napoleon Complex, Schizophrenia, Narcissistic Personality Disorder, Messiah-God Complex, Obsessive Compulsive Disorder, Athazagorophobia, Oedipus Complex, Sex-addiction, Pedophilia, and Necrophilia.

Furthermore, the author also hypothesizes a convincing argument based on medical science, which debunks Muhammad's first revelation. These external factors being:

Volcanic gas inhalation, sensory deprivation, starvation, dehydration, brain damage and Syphilis.

Written to provoke a rational response from both Muslim and western readers, the verdict is ultimately decided by the public to determine if Muhammad's claim to prophethood is legitimate.

Excellent Book

No doubt, writer is clearly able to establish the farse of Muhammad.
Muhammad was a devious person who propagated this cult of Islam.

Cæsar Dic?x says

One of the worst books ever. It's biased and full of logical fallacies.

The author tries to imitate the long tradition of orientalists in relying on weak narrations and some books which were written after Muhammad's death by 300 years or so. There are many things that the author deliberately ignored such as;

1. the fact that Muhammad commanded his companions not to write down his parables.
2. The Muslim holy book is the Quran, nothing else.
3. Muslims accept any hadith "parable" that have a basis in the Quran, if it doesn't have any basis or its concept is not mentioned in the Quran so it's not authentic at all whoever narrated it.
4. The Egyptian author Zaki Mubarak had made a survey about the casualties of the battles of Muhammad from both sides "In 10 Years" and "more than 63 battles and engagements" :
 - a. 262 Muslims / 1022 Non-Muslim. (These numbers included individual cases's casualties as well) so the sum = 1284 (N.B: Mr. Mubarak relied on the exaggerating reports that boosted the numbers of the Non-Muslim casualties)
 - b. In order not to raise the question about their percentage, he calculated the number of casualties in regard to the total number of combatants in both sides and found that the percentage of Muslim casualties = 1% / while the percentage of Non-Muslim casualties = 2%.So he wasn't a blood-thirsty warmonger as the author tries to depict.
You can return to these :

5. The issue of female captives : the Quran is very clear about it in Chapter 4, verse 25 : "And whoever among you cannot [find] the means to marry free, believing women, then [he may marry] from those whom your right hands possess of believing slave girls. And Allah is most knowing about your faith. You [believers] are of one another. So marry them with the permission of their people [Relatives and Parents] and give them their due compensation according to what is acceptable. [They should be] chaste, neither [of] those who commit unlawful intercourse randomly nor those who take [secret] lovers..." >> So no incitement to "rape" as he tries to portray.

6. The issue of Banu-Qurayza, Did Muhammad kill 800 Jews of Banu Qurayza. Also in here :

7. Aa child molester and a pedophile?

I guess these are enough for anyone to know that this book is not worth the money and it was made by a bigot..Just check his Facebook page.

Although very informational, I eventually had to speed through the rest of this book to get through the author's obsession with Muhammad's sexual fetishes and obsession. Ok, it was clear - the prophet Muhammad, who was a very insecure individual, was crazy and sick in the head. Well-noted. But the time and description and detail of such behavior became monotonous. The book itself could've been much shorter and still would've gotten the point across. Due to the sheer volume of example the author shared, and backed up - I still give it three stars. A lot of hard research was done, but instead of just demonstrating the theological errors in relation to Muhammad's thinking, the author's wording became too prejudicial. And that says a lot coming from me, because I do not blanketly trust anything about the Islamic religion. But the language and writing ends up insulting and dehumanizing, which I think the author themselves is capable of rising above. Worth the read if you want to know what drove Muhammad's thinking, but perhaps the obsession with improper behavior could be focused on a little less.

Remarkable. Information never disclosed. Not politically-correct...recommended reading!

Saurabh Shrivastava says

A very badly written book. Arguments presented by the author are inconsistent and self contradictory. Author had already made some assumptions and claims, and then found various reasons to justify those assumptions.

Eliav says

This book is filled with details on what Muhammad actually said and did. Shocking, provocative and yet corroborated with evidence from the actual sources. Quoted extensively from the Hadiths, the Quran and the Sirat (Life of Muhammad). Informative and entertaining read. It sheds light on the person of Muhammad, how he thought and who he actually was.

The only reason I'm giving it 4 stars: Tons of grammatical errors. It's as if it did not go through the editorial process.

Readable though. Great book.

Kelley says

This book is self-published and has many typos, etc. I was expecting something a bit more polished and unbiased. Many of the referenced were bias as well. It offers up some interesting concepts and conclusions but it was not worth the cost and the bias language and references made it hard to take too seriously.

I was hoping for a Christopher Hitchens'esque point-by-point breakdown of Islam. Pretty much he sounds like an angry guy with access to a bar stool. To make much use out of it in a real discussion with an Islamist or Islam apologist will require a lot of fact checking. He admits some of it is just speculation. Others are well known; the marriage to Aisha at 6 and the 'kill-em-all' quotes, but there are some tantalizing bits.

Islam may be the 'mother load of bad ideas' as Sam Harris says, but this isn't the book to start your research with.

Shivaji says

Very nice book but at the same time it's an biased opinion but it's true what's inside the book.
The people who says this books sucks are Islamic liberals aka the protectors of Islamic Terrorist

jesus said "love your enemies and do good to those who do bad to you" ... muhammad said "hate your enemies and kill the infidels wherever you find them"(read some verses from quran below out of the hundreds of similar verses in quran)

(quran chapter 60 verse 1)--- O you who believe! Take not My enemies and your enemies (i.e. disbelievers and polytheists, etc.) as friends, showing affection towards them, while they have disbelieved in what has come to you of the truth (i.e. Islamic Monotheism, this Qur'an, and Muhammad), and have driven out the Messenger (Muhammad) and yourselves (from your homeland) because you believe in Allah your Lord! If you have come forth to strive in My Cause and to seek My Good Pleasure, (then take not these disbelievers and polytheists, etc., as your friends). You show friendship to them in secret, while I am All-Aware of what you conceal and what you reveal. And whosoever of you (Muslims) does that, then indeed he has gone (far) astray, (away) from the Straight Path .

Qur'an 3:28—Let not the believers take disbelievers for their friends in preference to believers. Whoso doeth that hath no connection with Allah unless (it be) that ye but guard yourselves against them, taking (as it were) security. Allah biddeth you beware (only) of Himself. Unto Allah is the journeying.

chapter 48: verse 29-- "Muhammad () is the Messenger of Allah, and those who are with him are severe against disbelievers, and merciful among themselves."

Fight against those who (1) believe not in Allah, (2) nor in the Last Day, (3) nor forbid that which has been forbidden by Allah and His Messenger (4) and those who acknowledge not the religion of truth (i.e. Islam) among the people of the Scripture (Jews and Christians), until they pay the Jizyah with willing submission, and feel themselves subdued.(9:28-29)

Quran (chapter 2: verse 216) Jihad (holy fighting in Allah's Cause) is ordained for you (Muslims) though you dislike it, and it may be that you dislike a thing which is good for you and that you like a thing which is bad for you. Allah knows but you do not know.

Quran (61:10-12) - "O You who believe! Shall I guide you to a commerce that will save you from a painful torment. That you believe in Allah and His Messenger (Muhammad), and that you strive hard and fight in the Cause of Allah with your wealth and your lives, that will be better for you, if you but know! (If you do so) He will forgive you your sins, and admit you into Gardens under which rivers flow, and pleasant dwelling in Gardens of 'Adn- Eternity ['Adn(Edn) Paradise], that is indeed the great success."

Quran (47:3-4) - "Those who disbelieve follow falsehood, while those who believe follow the truth from their Lord... So, when you meet (in fight Jihad in Allah's Cause), those who disbelieve smite at their necks till when you have killed and wounded many of them, then bind a bond firmly (on them, i.e. take them as captives)... If it had been Allah's Will, He Himself could certainly have punished them (without you). But (He lets you fight), in order to test you, some with others. But those who are killed in the Way of Allah, He will never let their deeds be lost."

Quran (47:35) - "Be not weary and faint-hearted, crying for peace, when ye should be uppermost

Quran (9:111) - "Allah hath purchased of the believers their persons and their goods; for theirs (in return) is the garden (of Paradise): they fight in His cause, and slay and are slain: a promise binding on Him in truth, through the Law, the Gospel, and the Quran: and who is more faithful to his covenant than Allah? then rejoice in the bargain which ye have concluded: that is the achievement supreme."

Quran (8:65) - "O Prophet, exhort the believers to fight.."

Quran (8:12) - "I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them"

here in 4:89 quran orders to kill muslims who dont participate in jihad

(Quran chapter 4 verse 89) They wish that you reject Faith, as they have rejected (Faith), and thus that you all become equal (like one another). So take not Auliya' (protectors or friends) from them, till they emigrate in the Way of Allah (to Muhammad). But if they turn back (from Islam), take (hold) of them and kill them wherever you find them, and take neither Auliya' (protectors or friends) nor helpers from them.

i read quran and anyone who reads it would know that it is from satan...in the 21st century except muslims people from other faiths are reading it and getting to know what a filthy guy muhammad was ..watch this https://www.youtube.com/watch?v=QWzJ_...

quran promises virgins for sex in heaven for muslims...here are the verses from the "holy" quran

44:51-54 , 52:20 , 55:54-56 , 55:70-74 , 56: 22-24 , 56: 35-38 , 78: 31-34

allah runs a brothel house and he is not the holy GOD of abraham

Jesus said "even if you look at a woman with lust you have committed adultery with her in your heart" and Jesus approved only one wife but muhammad allowed raping of slaves and captives and allowed muslims to have upto 4 wives(satan's clever way of making men commit adultery)

muhammad married his adopted son's wife zainab who was his daughter in law(quran chap 33: verse 37)

and muhammad got extra sex privileges from allah (quran chapter 33: verse 50)

The worst!! I don't even want to say anything here. Just read the book if you want to know what kind of book is it. But don't judge anyone else (especially muslim) after you read this sh*t (excuse my language). "This is a book of hate!"

A book about the author's anger

This is just a hate book. I have read some other books about the concerning parts of Islam that motivate horrible actions by remote tribal councils, a few brutal nations, and terrorists. Apparently this author has read

such books as well and it made him angry so he wrote an over-the-top hateful diatribe. It has so many flaws such as being repeatedly self-contradictory, and prone to gross overstatement including the repeated use of "irrefutable" referring to far fetched speculation. He also reveals himself to be a fundamentalist Christian in places, as when he uses as proof that Mohammed is a fraud the verse that Allah made Adam from a clot of blood when we know from the bible it was really dust. Ah. This book wrongfully insults, and it does nothing to help the Islamic world to modernize and reform. It is simply a religion versus religion hate book.

Mel says

This is a devastating critique of Islam. No Muslim could read this and return to faith in Islam. No stone is left unturned. The character of Muhammad is exposed with clarity. An amazing read. A must read for a Muslim who is serious about knowing the truth. Or is it: you can't handle the truth!
