The Unofficial Harry Potter Insults Handbook: 101 Comebacks For The Slytherin In Your Life Laura J. Moss , Birdy Jones

Got a belligerent bully on your back? Next time your paths cross, say "Every time I see a Dementor, I'm forced to relive our every encounter."

Has that frenemy reared her ugly head? Tell her she's the fourth Unforgiveable Curse.

Is a know-it-all giving you trouble? Arm yourself with "I can tell you didn't get an O.W.L. in Transfiguration. Otherwise you would've done something about your face."

Whether you're a N.E.W.T.-level wizard or a wide-eyed witch still awaiting your Hogwarts acceptance letter, you've probably encountered a merciless Malfoy or despicable Dursley who makes your magical blood boil. If you've ever stood speechless as someone called you a talentless squib, a worthless git or a filthy mudblood, this is the book for you!

Cassandra Louise says

Made me laugh out loud. A few misspellings but otherwise a cute addition to the Harry Potter World.

Favorite Quotes:

1. "Every time I get close to a Dementor, I'm forced to relive our every encounter." (Page 13)
2. "You don't ever have to worry about someone slipping you a love potion." (Page 25)
3. "When I look in the Mirror of Erised, everything is the same - you're just not there." (Page 31)
4. "You're so dumb you joined the Death Eaters because you were hungry." (Page 31)
5. "You're so dumb you thought the Dark Mark was in your underwear." (Page 37)
6. "The Room of Requirement would just supply you with a paper bag." (Page 42)

Rate Procedure:

?????????? - I loved the book so much I would reread it again and would recommend to a friend.

???????? - Thoroughly enjoyed the book, could not put it down, would recommend to a friend, but do not need to read again.

?????? - Probably a good book that I enjoyed but there was something about it I did not love (e.g. The writing style, the POV, etc.). I would only recommend to a friend if it was their "type" of book.

???? - A book I have below average feelings for and it would not come with a recommendation from me but I would mention it in conversation if related to the book topic at issue.

?? - I finished the book but I hated every second of it.

gracie burwell says

Awesome awesome AWESOME

I never have been bullied, but if I ever do, ill have loads of comebacks-whether they understand them or not-when I need them. This book is perfect for people getting bullied or for showing your siblings who's boss! \$3? Worth it!!!

Jeretta Hall-Robinson says

This book is hilarious! But you must be a Harry Potter fan in order to get all of the jokes. Great, funny, and well written!

Andy says

This is stupid humor for Potter enthusiasts. I read most it out loud to various Potter-fan family members. Good clean fun. Lame and funny at the same time.

Mia says

This is more of a handbook (obviously) not a book, but it's amazing! It's got really good insults and comebacks that any arrogant Gryffindor, know-it-all Ravenclaw, sinister Slytherin, or just plain annoying Hufflepuff will never mess with you again!

Kimmie says

I loved the concept that this book can be used for kids that are being bullied today. It makes it easier for them to understand and accept when it is put in a fantasy world context such as Harry Potter. At first I thought a lot of the insults were very abrupt but then again children need to be able to stand up for themselves. I loved that on one of the pages it mentioned not to snitch on other kids because it can lead to retaliation but instead it suggested saying something back and standing up for themselves. I really appreciated this especially because bullying is becoming more and more prevalent now a days.

Jennifer says

You're so ugly Voldemort won't say your name.

I can tell you didn't get an owl in transfiguration otherwise you would've done something about your face.

You're the reason mandrakes cry.

You're so fat you tried to eat Cornelius Fudge.

As a self-confessed Potterhead, I had to give this a read but I was left mildly disappointed. Some of the insults were funny, but I only laughed aloud a few times and most of them fell short. The writing style was quite confusing, it was like the authors couldn't decide on whether to treat HP as reality or fiction when they should have just picked one and stuck to it. It was also contradictory, professing that using the insults in this book would result in never being bullied again, but later saying that the bullies may retaliate and bully you even more.

Overall, maybe a nice read for a child that's into Harry Potter, but not much else.

Kimberly Herrin says

This was a cute book and actually made me laugh. If you like Harry Potter this is for you.

Shir says

This book is hilarious.

Geoffrey Wakeling says

This book truly is a must for any Harry Potter fans....so much so that I'm waiting for it in paperback (please) so I can buy it as a gift for various family members.

Harry Potter Insults Handbook is ideal if, like me, you find it hard to sit down for one long sitting. I don't get a lot of time to read, but this little handbook is perfect for a quick Harry Potter pick-me-up. There are some awesome insults and you're drawn back into the magical wizarding world immediately. I'm still waiting for my Hogwarts letter, but when it comes I'm not well armed with plenty of Slytherin insults! :)

Cortney Maasjo says

:)

Rachael says

I absolutely loved this book and have used and shared these insults with friends. There is an insult for everyone, and is enjoyed by those who don't love Harry Potter as much as me! Hufflepuff forever!

1403grace says

OMG sooo funny!!!!

Kayla Brightwell says

Awesomest/ epikest

I chose this rating because I thought that everyone could use it every once and a while when they are getting bullied! What I liked most about this book is the owl's exams! Well the people that I would recommend this book to is my god friend loc. Thank you!

Ellie says

Cute

It was a fun quick read. Some insults were funny. Not bad but I wouldn't recommend buying it. Just borrow from a pal
