Jules says

Despite its horrendous cover (seriously, that image makes me embarrassed I even read it), it wasn't bad. A short, fun read---almost a little too short, maybe. I enjoyed the characters, and wouldn't have minded continuing and reading more about them.

Now this was a fun one. What would you do if your fiance tried to kill you so you got rid of him? Then you find out he's a bloody vampire and his sire takes you, strips you and wraps you up in ribbon as a gift for him to open?

Personally, it was so hot for me. I enjoyed it. In the end, Amelia did too.

It's been a while since I've read it. But it was ok story. Very short and quite sweet, despite bondage.

Michelle says

Bwah hahaha. I had to add this to my "current reading" list just because of the cover.

Miss Kim says

I am speechless over this cover.
