**A Smart Girl's Guide to Understanding Her Family: Feelings, Fighting & Figuring It Out** Amy Lynch , Lauren Scheuer (Illustrator)

This book helps girls understand and get along with the people they are closest to: their families. It includes activities for bringing family closer together, tips on talking about tough topics with Mom and Dad, advice on stopping fights before they start, and ideas for how to negotiate solutions to any problem. Girls will find pages of fun activities for creating memories with the people who live with and love them, plus tear-out family fun coupons and awards.

# **From Reader Review A Smart Girl's Guide to Understanding Her Family: Feelings, Fighting & Figuring It Out for online ebook**

**\$hanel says**

I read this book whenever I have family problems or fights with my 11 year old sister.

---

**Jessica says**

I really liked this book. It gives you information on how to understand your family the best that you can. It gives you wonderful information and you should follow it because it actually helps. I would like to read it soon.

---

**Diana D. says**

A Smart Girl's Guide to Understanding Her Family: Feelings, Fighting & Figuring It Out.  
by Amy Lynch

Is about different girls trying to understand there family and how to be more calm instead of bursting out and how to speak calmly and how to compromise all the troubles that a normal family will have.

---

**Angelic says**

Really good read for pre-teens and teenagers alike, especially since my 9 year old daughter is starting to exhibit signs of conflict within the family unit. I am confident that this book will uncover some of the mysteries she may be experiencing as her body, mind and emotions continually grow and change on a seemingly daily basis.

---

**Brenna says**

Really, really good!
