## From Reader Review Fullmetal Alchemist (3-in-1 Edition), Vol. 2 for online ebook

### Filipa says

There are no words for all my love for this. It makes me laugh, it makes me cry. It's so so good, well written (great great story), awesome drawings (I can never get enough).

I love how Ed is so strong and at the same time so emotive. I love it's about family, sacrifice and perseverance. I think everyone and everything in here is so good in so many ways. I can't wait to keep reading.

### The Converted Bookworm says

IT WAS BEAUTIFUL! MAES HUGHES \*cries in the corner\*

### Raeleen Lemay says

This was fairly underwhelming up until the final volume! We finally got some more detailed backstory on the brothers, and the extra comics at the end of each volume were hilarious (so many cats wow)

### Myrte says

Fullmetal Alchemist, vol. 4: ★★★★★☆

Fullmetal Alchemist, vol. 5: ★★★★★☆

Fullmetal Alchemist, vol. 6: ★★★★★☆

Average rating: ★★★★★☆

### Sara says

"Back again are we? You really are a fool."

That is pretty much the sum up of having to go through major tear jearking events for the third time. Man, who knew the god at the door would be so good at reviewing the series.

I will refer the first review I made as the overall review for the all the volumes. As for this one its strengts lie on giving the beothers more depth by peeling into the last. It also sets the tone of the overall plot. It was interesting to see some hooks launched that will play a huge role lather on.

Go read this now!

**\*\* 4.5 stars \*\***

I flew through this one so quickly! There was a lot more to the plot and also a lot of backstory given. Really looking forward to seeing where this series goes!

I haven't found a manga that's engaged me this much since Deathnote.

So, the average rating would end up being a 4 star, although in such a compendium there's definitely ups and downs to be expected.

Volume 4 gets a three star rating...some sad, a little funny and a little draggy at times. Not quite the series I've come to love - got a little bogged down in irreverence.

Volume 5 was an improvement as the Brothers Elric and Winry hit the road for a bit of personal growth and adventure. A nice detour, and one that didn't detract from the story.

Volume 6 reminds me of why I love the series. Out of the ballpark. Nice back story with truly compelling events and great humor.

Not enough Alex Louis Armstrong, but I really like their teacher, Izumi Curtis.

**Elias Alexander says**

I absolutely love this manga series. It's just so good. Can't believe I waited so long to read it. This will probably end up being in my top favorite manga series along with Naruto, Tokyo Ghoul and Death note.

Books 4, 5 & 6, 3 in 1 Edition, Vol. 2 - Manga

Very enjoyable read. This is a heady mix of action, intrigue, surprises, humor, and heart-wrenching details of Edward and Al's early childhood years. The backstory of how Edward lost an arm and a leg, and Al losing his entire body (now a soul trapped in a suit of armor) is fascinating.

Author Hiromu Arakawa does a marvelous job of world building ("The Boomtown of the Broken Down" for one). Fun new characters, especially Paninya, the pickpocket. Edward tries to chase her down to get his property back. The ensuing chase and Paninya's amazing acrobatics, which stun and challenge Edward's auto-mail enhancements, made me laugh. Love the artwork throughout the books.

Edward was easier to like after reading of his early years. Now we understand what fuels his anger and intensity. I liked the author's reminders that Edward is just 11 years old.

Still loving Winry, her grandmother, and Lt. Roy Mustang. The author has a nice balance of male and female characters. I liked getting to know more about Lt. Col. Hawkeye. I think the target of her "secret" is obvious?

The theme of the circle of life and death throughout the books was wonderful. Loved the fun artwork and humor in "Extras".

Looking forward to the next books.

This volume was overall so freaking sad. But I thoroughly enjoyed it and want to pick up the next one right now! But I'll refrain for now.

noice.

## **Taylor Ramirez says**

It's weird that Scar guy isn't really in this book but he's on the cover. It would have made more sense to put a young Al and Edward since a good portion of this book is telling their backstory.

“Envy: You sure it’s such a good idea to let this kid live?”—Page 16

I’m sure it won’t be.

DON’T YOU SLAP EDDIE!

“Edward: And there’s no need to be so polite. I’m just a ‘child’, right?

Black hair: No joke?

Light hair: What a relief! You don’t know how hard it was for me to be so polite to someone younger than me!!”—Page 39

Ruuuuuude.

I LOVE ARMSTRONG SO MUCH!!

“Edward:...I hate milk.”—Page 65

That explains everything.

“Hughes: They would rather shoulder their pain themselves...than cause their loved ones to worry.”—Page 81

\*Blinks\* Hughes...YOU WERE SUPPOSE TO BE COMIC RELIEF HOW DARE YOU!

They can’t even trust Roy?

The president slipped away from his body guards. He’s like Ed and Al.

We’re finally going to meet this mysterious teacher!

NO NO NO NO DO NOT HURT HUGHES.

BLACK HAIRE DUE! YOU’RE A TRAITOR!! IT’S ONE OF THE SINNERS FUCK! AND HUGHES! NOOOOOOO.

ROY LIKES DOGS! I’m still horribly depressed that Hughes died bUT AWWWWWWW!

\*Aladdin theme starts playing\*

Winry giving girl-Aladdin a stern talking to is great.

I think I’ve seen that “Don’t forget 3. OCT. 11” thing before. I didn’t know it was this series.

I SHOULDN’T BE TEARING UP AT A BIRTH BUT I AM!

I like this teacher. Izumi, I think the Firelord in Legend of Korra also has that name lol. I wonder if that’s a FMA reference.

“Mr. Curtis: I can’t help it that I was born with this scary face.”—Page 334

Aw, poor guy!!

IZUMI YOU CAN'T JUST LEAVE TWO KIDS ON AN ISLAND!

I've seen this tree in one of the intros.

"Hawkeye: Because there's someone I need to protect."—Page 498

Who? Mustang? Yeah. It is Mustang. Now I want to see more of Hawkeye and Mustang together.

Oh, now I understand why Ed hates Mustang. Now I don't know how much I trust him.

"The Fullmetal Alchemist!"—Page 528

Roll credits.

"Izumi: You don't have to hold back."—Page 536

I'M NOT CRYING YOU'RE CRYING!

Izumi, whyyyyyyy? I understand why but why?

Another one of the sins? Alrightie then.
