This was the second book in this series that I've read. As a lover of all things spooky, the title really caught my eye. I wasn't completely familiar with Zoe Donavan, but I loved her from the beginning. The relationship between Zoe and Ellie felt very real, and I enjoyed the easy going friendship they shared. When things go awry in Ashton Falls, plans change for Halloween, but the haunted hayride is a big hit. Murder and mayhem is on the rise in this story, I recommend it to anyone who enjoys a fast paced cozy.

Lisa Ks Book Reviews says

I really enjoyed all of the Halloween activities that go on in the town of Ashton Falls. The Zombie Run (man I'd love to see on of those around here), haunted hayrides, pumpkin carving contests, and murder. No wait, murder is good for the story, not good in real life. But Kathi Daley sure does do it up right. She keeps the mystery building and keeps the reader guessing until her reveal.

While Haunted Hamlet would have been a great read on it's own, it made it more enjoyable to have read the first book in this series, Halloween Hijinx, because we find Zoe back at Henderson House, the setting of the murder from that first story. I love that Ms. Daley took us back to the original scene of the crime. In reading many books, we often tend to forget certain things from our favorite series. So, thank you for the trip back, Kathi!

If you're looking for fun Halloween mystery reads, put HAUNTED HAMLET at the top of your list. And pick up HALLOWEEN HIJINX if you haven't already read it. You're going to love them both.

Have a friend with an October birthday? Give them a copy of both Halloween Zoe Donovan Mysteries!

It was okay. Anyone that just wants a story for Halloween will find that this is adequate. I found the "investigation" unbelievable...unrealistic ... and on many levels, non-existent. The supposedly haunted house wasn't even scary. The police must have really been incompetent idiots to let this woman and her friends investigate as if she was the only one with sense enough to do so. It did have some cute dogs and a fun sounding Halloween carnival...other than that it was a mediocre story.

Kindle Unlimited liked it but didn't love it hence 4 stars. Wasn't anything stupid such as typos or anything like that, just didn't love this.

I thoroughly enjoyed this book! The town and its characters are easy to fall in love with. It seems to have the perfect amount of mystery and the touch of romance, in a charming little town, to make you want to put off what you were going to do today, so you can finish reading the book.. I can't wait to go back and catch up, and learn more about everyone. Already looking forward to the next one.

Cute cozy

Cute story, complete with a 13 year old mystery, friends, rivals, dogs, cats, a bad guy, boyfriends, potential boyfriends, and best of all, Halloween. Great story for when you just want to be entertained.

Another great addition to the Zoe series. I loved all the Halloween events going on.

Laura Reading says

As others have said, I do believe this is my favorite Zoe Donovan novel so far.
I want to move to Ashton Falls!

Halloween is Zoe's favorite holiday, and mine as well.

The Haunted Hamlet is a major town affair and a necessary fundraiser for the town's budget, including paying for a new fire engine.

It is fun getting to know each town character better, watching the interactions between them. The animals add a charm and cute factor to each story.

The main thread throughout the book is about murder - both that of a visiting ghost hunter, as well as those that happened thirteen years ago at the same location. How are the murders related? Are they related? Who knows more than they are telling?

Besides the murder and mystery thread, other conflicts arise, keeping the reader feeling part of the town's inner circle. Whose lives are going to be changed, what relationship obstacles and opportunities arise this time?

Besides a winning tale, this book gives us delicious recipes for our own gatherings, and the promise of more Ashton Falls to come!

I was allowed an advance copy of this book in exchange for anhonest opinion.
My opinion - LOVE it and can hardly wait for the next one!

Mary Brown says

Haunted Hamlet by Kathi Daley is another great book in a series of great books. This book takes place at Halloween and it returns to the murder scene from book one, the Henderson House. This house is thought to be haunted by all that live in Ashton Falls and it makes perfect sense to hold the Haunted Hamlet in the barn on the property. But before that can happen, a body is found in the house by Zoe and Zak. The body is that of a man who is a real “ghost hunter”. And who also has connections to murders that took place in the same house thirteen years ago. Are these incidents related or is it a coincidence?

The mystery continues throughout the entire story and I did not figure out the murderer until it was revealed at the end. All the clues and evidence get tied together nicely and realistically. Which is always what happens when I read Kathi Daley’s series.

To me, the characters are what make this series really great. They are so well rounded, realistic and three dimensional and if every book they continue to grow. I don’t feel like I’m reading a book but rather that I’m in Ashton Falls visiting. The characters are so human and the problems that they deal with are so real, that readers can relate to. They experience all the emotions that everyone experiences, such as joy, sorrow, jealousy, love. They really feel like people that I know. And I really enjoy that while I’m reading/visiting.

I would recommend Haunted Hamlet to all readers who enjoy a cozy mystery that has it all. It can read as a stand-alone book but for total enjoyment, I think the Zoe Donovan series should be read in order. I can’t wait for the next book to see what Zoe and her friends will be up to next.

Copy from Author for review

It’s October and Zoe and the gang are getting ready for Halloween festivities in Ashton Falls. Zoe has officially moved in with Zak while Ellie is living at Zoe’s boathouse. Ellie is still baby crazy as she keeps looking for the right guy.

Halloween is her favorite holiday and Zak has gone overboard decorating his house full of electronic gadgets. They are busy helping the town with various activities.

Zoe and Zak stumble across a dead body in an old haunted house. As they further investigate they find that the body turns out to be a real ghost hunter who had ties in the area and that the house may hold more hidden secrets from the past.

When Zoe is kidnap by the killer will Zak be able to save her before she becomes the next victim? Will Zoe realize how much she loves Zak or will it be too late?

It is another engrossing book from Kathi Daley in the Zoe Donovan series that flows quickly by. It was a joy to read.

Sabine says

As Ashton Falls gets ready for the Halloween Festivities they find out that the haunted barn utilized in previous years is not available for use as the main attraction. It is decided that the “haunted Henderson House” will be the venue instead. Just days before the big event when Zoe goes to meet a contractor who is putting up the props she finds the dead body of a ghost hunter who is looking into the deaths of 4 people which occurred 13 years ago in the Henderson House.

The book seemed a bit slow in the middle just to take off running in the end. But I still had lots of fun with everything that was going on in the little town.

Barbara Tobey says

Zodar goes on alert once again. Zoe finds a body while checking the venue for the Halloween activities haunted house. Delightful return visit with friends and their pets. New mystery and old are intertwined to keep one guessing. Yummy recipes follow.

Merrill says

This book totally awesome! there was twist and turns that left you guessing until the vary end. I also thought that set itself apart from the other books from the Zoe Donovan universe was that you found out more about the urban league of Ashton Falls. This book was highly entertaining! It only took me 4 days to read it from start to finish.

Dawn Frazier says

Kathi has done it again! This is book 9 in the Zoe Donovan series, and as much as I love all the others, I think this is my favorite. The book has everything I love-Haunted houses, haunted hayrides, possible ghosts, and parapsychology. Zoe is helping with the set up of the Haunted Hamlet, and again gets involved in a murder. So in between getting the Halloween festivities ready, and watching Zak go crazy with Halloween decorations for his house, they try to solve the mystery. I also love the progression of relationships in this book, Zoe and Zak, Zoes parents, and Ellie, trying to find her Mr Right. I cant wait to see what the next book brings!
