Kurzgeschichten mag ich allgemein ganz gerne, bei Fanfictions bin ich jedoch grundsätzlich skeptisch, sodass ich auch nicht sicher war, ob "Imagines: Dein Star ganz nah" tatsächlich mein Fall ist. Da hier jedoch die Bestsellerautorin Anna Todd als Herausgeberin auftritt, wurde ich doch neugierig, sodass ich dem Buch eine Chance gegeben habe. Leider muss ich jedoch sagen, dass mich die Kurzgeschichtensammlung letztendlich doch nicht so begeistern konnte.

An sich fand ich so manche Geschichte ja ganz nett, Problem ist jedoch, dass ich die meisten Geschichten leider nur als mittelmäßig empfand, da ich entweder mit dem Promi, bzw. mit dem Schreibstil nichts anfangen konnte und so manche Geschichte für mich viel zu weit hergeholt war, sodass ich manchmal nur genervt die Augen verdreht habe.

Wer allgemein sehr gerne Fanfictions liest sich dabei auch für die Boyband One Direction, Kim Kardashian oder auch Selena Gomez begeistern kann, wird sich eventuell mehr mit den Geschichten von Jen Wilde, Ariana Godoy, Anna Todd, Rachel Aukes und Co. anfreunden können.

Das Cover ist sehr schlicht, fällt aber dennoch aufgrund des satten Farbtons auf. Die Kurzbeschreibung ist in Ordnung, auch wenn man bei einer Kurzgeschichtensammlung selbstverständlich nicht allzu viel erwarten kann, da man nur schwer sämtliche Inhalt zusammenfassen kann.

Kurz gesagt: "Imagines: Dein Star ganz nah" hat sicherlich die ein oder andere nette Geschichte parat, allerdings war ich doch weitestgehend enttäuschend, da die meisten Fanfictions viel zu weit hergeholt waren und mich somit nicht begeistern konnten. Sehr schade.

Ugh.

Just... ugh.

I really hate the culture of fan fiction about real, living people being published for profit. It's just... Well, it's a lot of things, but at its very foundation it's just creepy.

Aaaaanyway, this description lost me for good at:

Imagine selfies have been outlawed, making Kim Kardashian a freedom fighter who needs your help in bringing justice and good lighting to the people...

Yes, because if there's one thing the world can't live without, it's selfies. *eye roll*

I'm done with this world.

34 rozdziały, ka?dy po?wi?cony innej, popularnej osobie (lub grupie). Sama my?l o tym, ?e czyta?am fanfiction o po?ow? starszym ode mnie m??czy?nie przyprawia mnie o zawroty g?owy. Dodajmy do tego drugoosobow? (?) perspektyw?, s?ownictwo wahaj?ce si? mi?dzy paplaniem bez ?adu i sk?adu a bardzo mocnymi przekle?stwami, zdarzenia, które nigdy w normalnym ?wiecie nie mia?yby miejsca - ale hej, to fanfic, tu wszystko jest mo?liwe! - i mamy gwarantowan? potrzeb? ucieczki w dzicz bez dost?pu do Internetu lub ch?? usuni?cia wspomnie? na temat tego... czego?.

Z pewno?ci? na ?wiecie jest wiele osób, którym ta ksi??ka wydaje si? swego rodzaju objawieniem, ale ja stuprocentowo do nich nie nale??.

Jedna gwiazdka tylko dlatego, ?e trzy, góra cztery rozdziały by?y ca?kiem w porz?dku.

Okay. let me start off by saying I only bought this book to read Scarlett Drake's part and that's the only part/story I read out of this. And she was so good, you may think that "imagines" is a cheesy teeny twitter story made but it's not. Scarlett's part had an amazing ending and left me wanting more. It was very surprising and well written. If you need a reason to buy this book, just read her part and you'll be amazed.

This sums up my opinion on this:

This might be the most embarrassing idea for a book I've ever heard of. I read part of the Daniel Sharman's one (the one, btw, that it's written by Anna Todd) and I just could not even finish it. The writing itself wasn't terrible, but the story was so full of clichés that... ugh. Being Daniel one of my favorite actors and people, I just couldn't read this stuff. Like... I kept trying to imagine what he'd think reading it, since it is not approved

stuff.

Is publishing fake stories about real people for money even legal...?

I've nothing against fanfiction. There are a lot of talented authors who write good stuff on Wattpad and I also wrote a few (without putting them online) to have some fun. But writing a book all of fanfictions, about *real people* and the reader... Gosh. Are people really gonna buy this stuff? Like, for real? When there are websites like Tumblr, Wattpad, and Fanfic.net full of these things, written even better, and for free?

I'm just happy for the Wattpad authors who have been published in this "book", because it's still an accomplishment, but... Please, just not.

Po pierwsze nie os?dzajcie mnie, pisz? teraz po sze?? godzin dziennie i po wszystkim mój mózg to galareta, nie dam rady czyta? nic sensownego. Po drugie, przeczyta?am to for science, kolejne po?wi?cenie na o?tarzu rozwoju fantropologii. Po trzecie... to nie by?o takie... z?e?

Inaczej, by?o okropne, cringowa?am przez wi?kszo?? opowiada? tak, ?e chyba mam skr?t kiszek, najgorsze by?y opowiadania z lud?mi, których znam i lubi?, albo znam i nie lubi?, a inni si? nad nimi spuszcza?, ale ka?dy ten rodzaj by? z?y z innego powodu. Ale te? by?o na swój sposób te opowiadania by?y s?odkie? W porównaniu do fanfiction, do którego przywyk?am, je?li chodzi o RPFy, by?y zadziwiaj?co s?odkie i naiwne. Trzymanie si? za r?ce i patczenie sobie w oczy, a nie nierekomendowane u?ycie zwierz?t domowych (patrz? na ciebie fandomie SPN).

Co by?o najgorsze? Narracja drugoosobowa. Ja po prostu nie lubi?, kiedy ludzie mówi? mi, co mam robi?. I ten pocz?tek ka?dego opowiadania w formie "Wyobra? sobie, ?e...". I potem leci pierwsze zdanie w stylu "Budzisz si? przed ?witem, jak zwykle" i "Masz ch?opaka", i moj? reakcj? jest "skarbie, w?a?nie poda?a? moj? personaln? definicj? piek?a, wypisuj? si? z tego opka". No i wszystko by?o tak heteroseksualne, ?e my?la?am, ?e skonam z nudów. Ok?adka jest t?czowa, wi?c obiecywa?a co? innego. Queerbaiting wsz?dzie!

Co by?o najciekawsze? Uderzy?a mnie ró?nica pomi?dzy kultur? pisania ff na wattpadzie, sk?d te potwory pochodz?, a có?, regularn? kultur? fanfiction z tradycjami si?gaj?cymi od fanfiction.net przez LJ do AO3. Sama nazwa gatunku ff opartego na narracji drugosobowej by?a mi obca, bo kojarz? t? form? jedynie z Tumblra, gdzie taguje si? jako "xreader", od okre?lania pairingu posta? x reader. Poza tym nie mog? przesta? si? dziwi?, jakim cudem tylko najmniej reprezentatywne dla fanfiction teksty wychodz? w komercyjnym obiegu. "50 twarzy przemocy domowej" i to co?. Fanfiction to najlepsza literatura queerowa jak? czyta?am, dlaczego nic z tego nie trafia do obiegu?

Co by?o najlepsze? Kim Kardiashian na czele selfie rewolucji maj?cej na celu obalenie patriarchatu. Pierwsze opowiadanie w tomie jest naprawd?, autentycznie dobre. W sumie jest jednym tekstem w tomie, który ma jaki? przekaz poza swój? warto?ci? eskapistyczn?. Porusza tak wiele problemów patriarchatu (panja?nianie, praca emocjonalna kobiet, spo?eczna kontrola kobiecych cia?, ?eby wymieni? tylko kilka), ?e nadaje si? jako tekst do analizy na gender studies. By?am zachwycona.

W ka?dym razie, przeczytane. Mog? tylko doda?, ?e opowiadanie o Hiddlestonie by?o najd?u?sze i chyba mia?o by? czym? w stylu "slow burn". Cringowa?am nieustannie. I hardo.

I'm really enjoying my book and the star-studded cast. Every story is unique and well-written, it's difficult to say which one is my favorite! This is one anthology I'm happy to say I own.

Chris C - A Midlife Wife says

I learned about author Anna Todd over the past couple years with her YA collection, the *After series*. I actually read the whole series and was made crazy by her. So I figured that this would be a cool book to check out as she has a chapter in here as well.

Loaded with over 600 pages and at least 25+ different authors, this is an interesting collection of stories that range in length, all having to do with the imagination of the author as they were as if they were involved with a celebrity in some manner.

There's one thing that I am not sucked in by and that's young adult books, probably due to my age. This book is dedicated really towards that genre and age group. While many of the stories I read were well written and well thought out, I was not overly enthused with some of the stories.

While this book would be great for the teens and twenty-somethings, it just wasn't something that I got engaged with.

Crystal says

I really didn't know what to expect when I first started reading because well lets face it, we all have our opinions made when it comes to most celebrities. I went in with an open mind and was pleasantly surprised. They all range in length, but were all very well written.

I think we can all agree that we love it whenever we get to see a different side of a celebrity, one that shows them in a different light, and makes us change our perspective of them. With these short stories I was able to do that, even if only for a little while. They made me wonder what I would say or do if it was me in the story. I put aside all of my preconceived notions and was highly entertained by every single story. Some had me laughing, while others had me swooning! And some definitely had me falling head over heels in 20 pages, in Medium and His English Heart especially. I now find myself wanting some of these to continue! When each story would end I would find myself saying "that's it? I need more".

I don't read a lot of Wattpad authors, so I was glad to have several of their stories with me in one book. If you're a fan of any of these authors make sure to pick this one up, if not, at least give it a try. They were all special in their own way. Whether you're a fan of Kim Kardashian, Tom Hiddleston, or Chris Evans, you'll find a story here.

Kevin Fanning says

I'm in this book so grain of salt or whatever but listen: 5 stars alone for Kat's story about Nick Bateman, "Knockout", which is one the most weird, interesting, and original short stories I've ever read, period, let alone in RPF. I had no clue who Nick Bateman was before reading this and it did not matter. I say this to anyone who will listen but remember the name Katarina Tonks, she is one of the most amazing writers anywhere right now.

Other favorites include Anna's story about being trapped in a Target bathroom with Kylie, Scarlett's story about doing it with Jamie Dornan, Cassandra's story about going to prom with Michael Clifford, and the story about President Kanye West. There is literally no way you could read this book and not finding something to love.

Katharina | katharia says

Einige Stories waren ja echt nicht schlecht, vor allem die mit Daniel Sharman (Anna Todd), Justin Bieber, Supernatural oder 1D. Aber dafür war auch so viel Mist dabei, der einfach sinnlos oder so krass unnatürlich ist. Schade.

Emily says

Sigh.

Look, I've got nothing against fanfiction. There are some really awesome ones out there, and I admire people who can make something fresh out of their favorite fandoms. That's imaginative. That's fun.

But honestly, what the fuck. Like what the fuck.

I could not give less of a shit if these people wrote these fanfics for their own amusement and posted them online. There are millions of people who do that. But as soon as you try publishing them, for profit, WITH THE CELEBRITIES NAMES STILL IN THEM you've crossed a big line. (Weren't the One Direction names taken out of After because the publishers would've been fucked if they left them in? Am I wrong about this??) I'd be pissed if stuff like this came out about me, glowing portrayal or no.

Note: Although this book mentions many real celebrities, they have not participated in, authorized, or endorsed its creation.

How is that ^^ not going to bite you in the ass, publishers?? One line is not a defense, and WHY DID YOU THINK THIS WAS A GOOD IDEA??

I am so confused and irritated right now. Fuck this book.
