Nidish says

great words. He has beautifully shown the need to shift the emphasis from contemplation to expression. Although not absolutely flawless and perfect, the book surely enlightens.

Nishant says

I really had to change my perception, or actually false perception about many subjects related to Vedas and Vedic philosophy while reading his lectures. One memorable quote which he has repeatedly used in his lectures is "??? ????????? ??????????" which is actually the essence of philosophy. There is only a single truth, which is expressed and told by the intellectuals in different forms. But not all the points he makes are pragmatic, though. For instance, the validity of Vedas' supremacy which, as he maintains, is beyond any doubt or scrutiny.

Abhishek Shekhar says

Very interesting and very amazing. It opens a whole new world for any reader. Though ideas presented have been there but this books is one of those first ones which brings Advaitism to readers.

Kritika says

This book was my course book.. I did enjoy his letters... a very intelligent man he is

Aman says

this is a nice book
