Maid-sama! (2-in-1 Edition), Vol. 6: Includes Vols. 11 12 Hiro Fujiwara

A 2-in-1 edition of the romantic-comedy series where chaos ensues when the student council president's secret—that she works at a maid café—is discovered by the school's #1 hottie!

As if being student council president of a predominantly male high school isn't hard enough, Misaki Ayuzawa has a major secret—she works at a maid café after school! How is she supposed to keep her image of being ultrasmart, strong and overachieving intact once school heartthrob Takumi Usui discovers her double life?!

Misaki and Takumi go on a double date with Sakura and Kuga to the hot springs! However, Misaki is still shaken up after learning about Takumi's past. So what kinds of challenges await her when she unearths even more information about his family?

Nidah (SleepDreamWrite) says

Good volumes.

Honya says

Rating: 4.5 of 5

Not as strong a run of chapters as in some of the previous volumes, but still plenty of cute episodes. Plus, it seems like there's more background and setup for future volumes presented here. Still definitely one of my favorite manga series ever, and I'm looking forward to reading the rest!

Judy (Geeky Reading) says

~4/5

(Contains light spoilers.)

So much happens in each book, since there's two volumes. I don't know what to focus on.

There's some light stuff, like Misaki and Usui helping out Sakura with her misunderstood rockstar boyfriend. Aoi gets to make the maids costumes for the first time, and that turns out very pretty. We get a couple moments of sexual tension around Yukimura, and how anyone could possibly not see the possibilities between him and Kanou is beyond me. This is one of the only not-actually gay couples that gets to me. I mean, come on.

Aside from that, there's an ongoing tension between Misaki and Usui. They're not labeling their relationship—Usui believes it could lead to bad things from his family that he's still hiding from her, but she's too embarrassed to tell him how she feels. It's nice to see her realizing how she reacts to him and accepting that she might want to react differently and be more honest with him. Then we meet Usui's brother, and his ninja stalker bodyguard, who's honestly fantastic.

There were also a couple extra chapters, one where we get the characters in an opposite-gender world that's quite fun; I like Usui as a girl. Then we see the idiot trio in a realistic chapter about their friendship, which is also nice.

I can't wait to start the next one. I love the depth we're getting to the characters.

A review copy was provided by the publisher, VIZ Media, for an honest review. Thank you so, so much!

Sarah says

this volume was a little bit more complicated because you are seeing the relationship between Usui and Misaki blossom so beautifully when there seems to be another monkey wrench in the works. Usui's estranged brother that you never knew anything about comes into the works and pushes his way into the love you have been waiting what feels like forever for Misaki to say yes Usui i love you and something comes along and makes her feel like she is not worthy. She deserves her perverted alien!

More reviews (and no fluff) on the blog <http://surrealtalvi.wordpress.com/>

After 12 volumes, it's great to see Misaki and Usui's relationship continue to develop. With this two-in-one collection number 6, author Fujiwara splits her focus between creating tension in the main story while also adding amusing side stories/vignettes. It does make for a lot of filler but the quality of the storytelling continues to excel.

Story: Usui's family connection are increasingly becoming a problem as pressure mounts for him to assume responsibilities. Misaki is torn - she wants to define her and Usui's relationship but at the same time it feels like the world is telling her that she's not good enough for him. But a trip to an Onsen, appearance of Usui's half brother, a special party at the Butler Cafe, and a very persistent Walker family servant all create both conflicts and opportunities for our persistent couple.

The side stories were cute - from gender bending by turning the girls to guys (a female Usui is scaary) to more development in Misaki's sister. All the same, for me it's about the main plot so I tend to skip very fast through all the side stories to find those great Usui-Misaki moments interspersed throughout Maid-Sama.

Fujiwara's artwork is, as always, superb. She has such a great way of showing emotion through subtle expressions. But more importantly, I really like the reasons why our hero/heroine like each other. Usui respects Misaki's honesty and strength. Misaki appreciates Usui's sense of humor and quiet confidence. It makes for a great romance so different from the silly tsunderes or overly genki shoujo heroines. Reviewed from an advance reader copy provided by the publisher.

Shawna (BacchusVines) says

The Usui chronicles continue!

Amanda [Novel Addiction] says

I'm so happy this is releasing in English again. I hated the thought that I'd never be able to finish the series

since Tokyopop (the original English publisher) shut down. So a giant thank you to Viz media who picked it up! Now I can finally figure out what's going on with Usui's past, and if he and Misaki will EVER REALLY GET TOGETHER, argh!

Dominique says

Hmm. this one want that funny compare to other volumes and not a lot romance. It felt like a filler. Did go into Usui's life a little maybe that's why.

Carrie says

It's been a while since I read this series. Thankfully this is one of those series where things start coming back to you the moment you pick it up. Overall I enjoyed these volumes. I was entertained and spent the entire book rooting for these two. I am nervous/excited to see where things go from here.

Sleepy Ash says

I actually didn't think that the class divide was going to be a problem; I mean it's kinda not but I didn't think it would be brought up at all. Loved these volumes and meeting Usui's estranged brother, can't wait for the next one.
