Understanding and Using English Grammar: Workbook--Volume B Betty Schramper Azar

Experience grammar like never before. Betty Azar's Understanding and Using English Grammar Interactive, an intermediate- to advanced-level CD-ROM from the Azar Grammar Series, combines the best of instruction and practice in one program. Features include lively grammar presentations (with cartoon animation and spoken explanations), extensive grammar practice (more than 500 interactive exercises, including listening, speaking, and reading), and ongoing assessment (with immediate feedback in practice exercises, chapter tests, and progress reports).

Nings says

Buku bagus yang mengajarkan grammar. Tulisannya jelas, banyak latihannya, kertasnya bagus, pokoknya nyenengin deh (bikin betah belajar)... :)

Wendy K says

The primary text in my intermediate grammar class. Boring as hell (it *is* grammar after all), but full of handy tables which lay out structures and patterns in a nice, easily-accessible manner. The first edition is full of obnoxious misprints and inconsistencies, so beware.

Roos says

Termasuk buku yang dipinjam teman dan gak dibalikin...hiks...hiks...

Tapi akhirnya beli lagi karena butuh...hehehehe...

Belajar Grammar emang gampang-gampang susah...tapi buku ini enakya juga banyak latihannya jadi mudah dimengerti dan diaplikasikan...
