I just wish Sachie and Rakuto would kiss already!!! Damn it!!

Yup...and that's all I have to say about this volume.

Oh, and that I wish Midori didn't look like Azuma. Because seriously, sometimes I can't tell them apart.

Chelsea says

This volume was a lot of fun and introduced some new characters as well. I am looking forward to seeing what happens next.

Kristelle says

This has unexpectedly turned into one of my current favorite manga series. That's all.

Hannah says

Series Review: Wild Ones is a funny and romantic manga that I really enjoyed beginning to end. The plot was great as well as the characters. I never got bored and the plot twists were often surprising. The ending was perfect for the series and well timed. If you are looking for some action along with normal high school drama this is the manga for you!

Heather says

I was greatly enjoying these books but I feel like the storyline here got a little out of focus. It wasn't bad, but it just seemed like they jumped around to other characters and the storyline was unclear.

Emmy Lou says

Rakuto still hasn't indicated whether he is continuing to college or not, prompting a home visit from the teacher.

Nidah (SleepDreamWrite) says

While I like the art, the story at times is good, same with the characters. So 7 volumes in and I'm liking the series. May not be a favorite but I still like it.

Da Hua Ruan says

This book talks about these 2 men loving this girl. they are not fighting with each other for her thought, they are waiting for her to choose weather who to choose. she don't even know what is happening because her life is so easy and fun. she gets protected by everyone and she is beautiful, but all she want is to make people happy.

Victoria says
